

Happy New Year!

Don't let the spirit of the season cloud your judgement. Drink responsibly and always use a designated driver.

Here are some ways to make your parties a smashing (rather than smashed) success:

- ✓ Collect car keys as soon as guests arrive. That way, when they're ready to leave you can see if they are OK to drive home.
- ✓ Serve high-protein and high-carbohydrate foods like cheese and meats when you serve alcohol.
- ✓ Serve non-alcoholic beverages and don't force drinks on guests or rush to refill their glasses.
- ✓ Stop serving alcohol about two hours before the party ends.
- ✓ Use designated drivers or allow people too impaired to drive to stay overnight.
- ✓ Coffee and cold showers only make people wide awake and wet! Only time will sober up someone who's been drinking.
