Attempted murder charge filed against Grover man

A Grover man has been charged with attempted murder following a shooting incident Friday. According to Cleveland County Sheriff Raymond Hamrick, deputies responded to a shooting at 8:15 p.m. Friday at 148 Hicks Road, Grover. Their preliminary investigation revealed that Roy Clyde Beebee of Bessemer City was shot in the left upper arm. Beebee was transported to Cleveland Regional Medical Center in Shelby, where he was admitted.

Whitehouse was charged with attempted first degree murder and was placed in Cleveland County Detention Center under a \$250,000 secured bond.

According to the Sheriff, the cause of the incident is still under investigation.

Patrol targets aggressive drivers

The Highway Patrol will be targeting aggressive drivers on North Carolina interstates beginning Wednesday and continuing through the Thanksgiving holiday. The aggressive driver has been identified as those drivers who flagrantly violate the motor vehicle laws, including but not limited to excessive speeding, following too closely, erratic lane changes, safe movement violations, and other forms of reckless endangerment. Aggressive drivers account for a significant number of traffic collisions that occur on state roadways.

During the holiday, the Patrol will also be participating in the state's "Booze It and Lose It" anti-drunk driving campaign and national Combined Accident Reduction Effort (C.A.R.E.). Sobriety checkpoints are being held throughout the state the entire week.

The Thanksgiving holiday weekend officially begins at 6 p.m. Wednesday, Nov. 6 and ends at midnight Sunday, Nov. 30. Last year there were 2,094 crashes, 1,174 injuries and 17 fatalities statewide during the holiday period.

Citizens can report highway problems to the Patrol by dialing *HP(*47) on their cellular phones.
