

**Dear Santa,**  
I cannot wait for Christmas to get here again. I bet you are busy making toys. I would like for you to bring me some of these things: a play station 2, a radio, ice skates, an Easy Bake Oven and a chalk board because I like to play school.  
**Love, Beana Gallaini**

**Letters to Santa from Mrs. Jones' third grade class at East School:**

**Dear Santa,**  
How are your reindeer. For Christmas could I have a guitar and a Jewelry kit. Also I wish that everyone could have a great Christmas this year.  
**Ashlee Harris**

**Dear Santa,**  
I hope you and Mrs. Claus are fine. I hope your elves are too. I hope we have snow for Christmas. I want an x-box, a play station 2, and some games for Christmas. I hope Jesus has a great birthday and bless my Aunt Verna who is in the hospital.  
**Love, Michael Douglas**

**Dear Santa,**  
How is it doing up at the North Pole? I wish you a Merry Christmas. I hope Rudolph is over his bright nose. My only wish is for you to give everyone a happy Christmas.  
**Camille Watson**

**Dear Santa,**  
How is Rudolph the red-nosed reindeer? How are the elves? Is the North Pole colder than usual? Well this year I would like a real live baby elephant and a train with a track that runs around my house. My final wish is for Jesus to have a Merry birthday.  
**Christopher Swofford**

**Dear Santa,**  
How are you doing? How are all the reindeer and the elves? I hope you have a very nice time delivering the presents I would like you to give everyone who is poor to have their lives to be better.  
**Taylor Eden Stephens**

**Dear Santa,**  
How are things in the North Pole with you and Mrs. Claus and the reindeer or course? I was wondering for Christmas if you would bring peace on earth because lots of wars are going on. I wish all a happy Christmas

so that all will have a good time. Thank you, Santa.  
**Amber Sheridan**

**Dear Santa,**  
Hi Santa. How are you and Mrs. Claus doing? What is her first name? Oh year, how are Blitzen and the other reindeer doing? I was wondering if you would please kindly get these things for Christmas for me: a new game for my playstation 2, the health for others that need it, and to give Jesus a wonderful birthday.  
**Sincerely, Phillip Quinn**

**Dear Santa,**  
Is it cold up there? Is Rudolph o.k. up there? I want a new game boy games because all of my others are gone. I also want a remote control car because I don't have one. One more thing I want is a chapter book to read because I don't have one.  
**Hannah Martin**

**Dear Santa,**  
I hope you and Mrs. Claus are doing ok. Oh, and I do believe in you so much. You are so cute. Do you know why? I do, you have nice rosy cheeks. What I want for Christmas is a baby doll because they are so cute. Oh and I want a Video Now.  
**Destiney Wyatt**

**Dear Santa,**  
I hope you will have a great Christmas. Is Rudolph ok? I hope he is. Are you hungry? I know you're going to get a lot of cookies. I want Splinter Cell 2 because I like games and I want Jesus to have a happy birthday and a special day for everybody.  
**Mitchell Hardee**

**Dear Santa,**  
Is it cold in the North Pole? Are the reindeer ready to fly? I would like these three things: A Green Machine because my other bike broke, A Spy tracker system, and for all the people in the world to have a great Christmas.  
**Sean Downey**

**Dear Santa,**  
Good evening, Mr. Claus. How are your reindeer doing? How are you and your wife doing? The three things I want for Christmas are a remote control airplane that uses gas because I think my dead left it outside and the dog chewed it up. The other thing is a go cart because we cannot fit in it but we let my little brother have it and it is the right size for him. Here is the last thing I want. I want a snow-

mobile. I hope you have a merry Christmas.  
**William Bridges**

**Dear Santa,**  
I wonder how Mrs. Claus is? I hope you and your elves and reindeer are warm up there at the North Pole. I want a playstation for Christmas because I don't play a lot and I barely have friends at my neighborhood. I wish that the poor people won't be cold at night. I wish the poor people would have jobs so they won't be hungry.  
**Love, Nancy Olmos**

**The following letters to Santa were received from students in Mr. Ramsey's fourth grade at East School:**

**Dear Santa Claus,**  
This year for Christmas I want only five things. They are a video now, for real friend, Cheetah Girls CD, strawberry shortcake drawing set, and Ginger snap doll. Why do I want all of these things? Because a video now you can watch a video anywhere you want. A for real friend is I don't have a pet and the toy is just like a real pet. A Cheetah Girl CD is so I can listen to it. The drawing set is so I can draw color, and the Ginger Snap doll so I can put her in my collection. But I probably won't get any of these toys because there's so much money. So Santa can you bring them to me?  
**Merry Christmas. Brittany Robert**

**Dear Santa,**  
This is what I want for Christmas: A BB 62 New Jersey because I want a model of the kamikaze bombing Pearl Harbor and a book on World War II so I can read what happens in World War II. My brothers would like a X box.  
**Sincerely, Adam Bridges**

**Dear Santa,**  
This year I want a Harley Davidson for my paw-paw and a Dyrango for my dad to pull his boat. Plus I want a cactus plant for my mom and a game for my sister. For me I would like a life-time pass to Carowinds and a game named Streets of LA.  
**Thank you, Christopher Paysour**

**Dear Santa,**  
What I would like for Christmas is warm winter clothes so I can play in the soft glittering snow and I would like a few toys. Merry Christmas and have a happy new year.  
**Gary Odums**

**Dear Santa,**  
This Christmas I hope you and your wife are doing fine and your reindeer. What I want for Christmas is a Bratz Doll My Sene, a puppy and something for my mom and dad. What I want to give my mom (is a) diamond ring for my mom. And a diamond watch for my dad. And for me I want a necklace and a ring. Merry Christmas.  
**Tyasha Durham**

**Dear Santa,**  
This Christmas I want it to snow. I hope you and Rudolph and Mrs. Clause are getting along. What I want for Christmas is a motor scooter, a leash for my dog Shep and a cage for my cat Oscar, and a baby cheetah, a free admission to Kates Skating Rink, a tape called Dr. Doolittle and a tape called Little Nikky.  
**Sincerely, Sydney Hush**

**Dear Santa,**  
This year I want a motor scooter, a X-Box and some clothes and some shoes. But there's one more thing I want and that is a dirt bike. Keep warm.  
**Timothy Davis**

**Dear Santa,**  
What I want for Christmas is a game called smack down here comes the pain, a bey glade, azoid, and a game called soul calibre two. Santa how are the reindeer? Are they all good for Christmas and is Rudolph's nose good for the night of Christmas? Happy holiday,  
**Justin Grigg**

**Dear Santa Claus,**  
This year for Christmas I would like a puppie. Game Boy Advance SP, Lego Basketball Game, and Lego Hockey Game. The movies I want are Freedy Friday, Uptown Girls, that's all. The reason why I want more boy stuff and not girls stuff is because I'm a tomboy. I had a Game Box Advance until it

got stolen so that's why I want a Game Boy Advance SP for Christmas. Please bring something for my Aunt Angie. And something for my baby cousin Samual. He is just two months old. Tell Rudolph I said "Hi."  
**Happy holidays, Deanna Carroll**

**Dear Santa Claus,**  
I've been really good this year and these are some things I would like: a pixter color and games for it, a phone to talk about what I got for Christmas, a real meal oven to make cookies for you next year, holes movie and soundtrack to make me so sleepy I can go to sleep and you can come and give me gifts galore, a radio to play the soundtrack on, bratz dolls, My scene dolls, twister, bop it extreme 2, ello so I can be creating and Dolly Pockets. Happy new year,  
**Rebekah Anthony**

**Dear Santa,**  
I hope you and Mrs. Claus are not bored making all those treats and presents for us. But I can't wait for Christmas! What I want for Christmas is clickets to make my own stuff and give for a present to somebody. I want a gameboy SP with mario game to keep me busy around the house. Then I want a new bike so I won't

have to share with my sister. And clothes and shoes for school. Season's greetings,  
**Regan Summey**

**Dear Santa,**  
This year for Christmas I would like a pair of new shoes, clothes, a new bike, a new coat, some paper and pencils, a Barbie doll collection, a game boy. The kind of shoes I want are some air force ones, a new watch. I would like a stack of books to read over the Christmas season. The reason I want all of this stuff is because I always get it over the year for Christmas. I hope I always get this stuff for Christmas because I like getting this stuff. I hope you and Mrs. Claus have a happy Christmas. Are you and Mrs. Claus doing okay?  
**Sincerely, Jalessa Howard**

**Dear Santa,**  
This Christmas I want an X-box Game called "Star Wars of the old Republic." I am working hard to get an X-box and a cenfler. And just so. The only reason is because my friend Sam has it and its' very cool and fun.  
**Yours truly, Jake Carden**

**Dear St. Nick,**  
This Christmas I would like a four wheeler because it will go fast and the win will blow in my hair. Also I would like a yellow
