

Christmas at the Costners

Grady and Katie Costner of the Midpines Community of Kings Mountain give all area residents a special Christmas present each year. They decorate their house and yard with thousands of lights and numerous Christmas scenes. The lights stay on through New Year's Night.

Get To Know

Grover Family Practice Physician
Julia Saluke, MD

At Grover Family Practice, good health means more than medications, X-rays, and medical degrees. It means having a physician who'll take the time to get to know you.

Dr. Julia Saluke is that kind of doctor. In her career of providing care to families, she's treated patients from infancy to old age, and she believes that good medicine is founded on strong doctor-patient relationships.

Grover Family Practice welcomes
Dr. Saluke as we begin the new year.
Call now to make an appointment.

Grover Family Practice

217 N. Main St., Grover, NC 28073

704-937-7905

Monday - Friday 8:30 a.m. - 5 p.m.

After growing up in Dayton, Ohio, Dr. Saluke received her biology degree at Mt. St. Joseph College and her MD at Wright State. She came to North Carolina in 1992 to complete her residency at East Carolina University, and has practiced in several NC towns.

She married four years ago, and since her husband hails from Mt. Holly they were glad to come to our area. They enjoy tennis, gardening, hiking and camping.
