

KINGS MOUNTAIN

Dear Santa, My name is Shikha. I go to West Elementary School. I am in 4th grade. I have one brother.

Santa, I have been a good girl all month, so I like you to bring me gifts and toys. I would like you to bring only three things this year. I would like you to bring me a chalk board because I like to draw pictures with color chalks. then, I want a lot of Barbie dolls because Barbie dolls are my favorite. I always wanted one. At last, I want a computer desk because I don't have a place to put my computer.

Thank you, Santa, for bringing me all the toys I wanted. Last year you gave me all the toys I wanted. I think you should bring me the toys because I was a good girl in my house and in my school. Sincerely, Shikha

Dear Santa, I am nine years old. I am in the fourth grade. I have been waiting for this day to come. I am still waiting to see if I get the things I want. Please do give me the things I want.

I am not writing to you to tell you about me. I am writing to tell you what I want. So now I'm going to tell you what I want. That is a puppy, a motor scooter, and I want my dad to let the puppy stay in the house. And one moe thing, I want a fence like Faiths. Oh, and about the puppy, I want a golden retriever.

Thank you for every thing. But tl do think I deserve all these, maybe I've been bad a few times. But I should get these things. Sincerely, Olivia Blalock

Dear Santa, My name is Brooke Parker. I am really nice. I do an excellent job in school. By the way, I go to West Elementary School.

There are three things I would like for Christmas. First, I would like you to get me if you can a Pixture. I would love to have one because it would be a thrill to play. The next thing I would like you to get me is a cordless radio. Mine right now is not working. The last thing I would like is something that your elves cannot make. I just want everyone to be happy on Christmas.

Thank you for everything you give me. I have been a good girl so I think I deserve them. Sincerely, Brooke M. Parker

Dear Santa, Hi! My name is Roxanne. I'm in fourth grade. My favorite subject is math. I'm spectacular in math.

I would like to have a new stereo because I have a lot of Cd's and tapes, but I don't have anything to play them in. Also, I would love some skates that turn into regular shoes. I want them because I have no skates, and I really want them. I would really be looking forward to be getting new clothes for Christmas. I really need new clothes for Christmas because first of all, it's cold outside, and I don't have any pants.

Thank you, Santa, for whatever you bring me even if you don't bring me what I want. I've been an absolute, positively, special little girl. Sincerely, Roxanne Brown

Dear Santa, Hi, Santa, my name is Brooke. I love writing stories. I also love to do problem sets. The thing I'm worst at is math.

There are three things I want for Christmas. One thing I want for Christmas is a Yorkie dog. The reason I want one is because I'm lonely at home. The second thing I want is a Fur Real Friend Cat. The last thing I want is a sister.

The reason I want a Fur Real Friend is because I could let it play with my Yorkie dog. The reason I

want a sister is because I'll get to feed her and give her naps. If you do give me this stuff, I will be the happiest girl in the world. Sincerely, Brooke Dunlap

Dear Santa, I am very good in school. I also make good grades. I am very polite to people. I also share with my family members and friends.

I am writing to you because I would like 3 things. First, I would like new roller skates for my brother and me. Secondly, I would like a puppy that's a girl. Last, I would like a color TV.

Thank you for giving me a lot of presents from last Christmas. I really appreciate it. My family also appreciates all the presents that you have given us. I know that children will appreciate all the presents. Sincerely, Michelle Philavong

Dear Santa, My name is Tiffany Moore. I am in fourth grade now. I also an an excellent kid. I go to West Elementary School.

Santa, I wish for 3 things this year. One of them is a trampoline. The other one is a go cart. Finally, I want a new bedroom suite so I can sleep better. I want a trampoline so I can jump. Most of all, the go cart. I want it so I can play house. Santa, I would like you to get me those things so I can have a lot of fun.

Sincerely, Tiffany Moore

Dear Santa, My name is Dylan. I have to dogs. I love the dirt bike you gave me last year. I like the four wheeler you gave me a few years back also.

I would like a blue dirt bike seat because my dogs tore it up. I would like the new remote control car the transhola because all I have that is remote control is a toy cobra.

I want to thank you for whatever you bring me. I have been a good boy. Sincerely, Dylan Hewatt

Dear Santa, I am nine years old. I go to West School. I play basketball too. I am a good boy.

Santa, I want three important things for Christmas. First, I want a Gameboy Advance SP. The reason I want a gameboy is because I don't have anything to do. Second, I want a cherry red street motorcycle, the ones that takes gasoline. The reason I want a cherry red motorcycle is because my other bike broke. Last, I want a ten toy motorcycle is because I act like my dirt bike man can ride something else than a dirt bike.

Thank you, Santa, for all the things you have gotten me in the past. The reason I am sending you this letter is because you are a real good person. Sincerely, Toby Patterson

Dear Santa, My name is Steve. I'm in the fourth grade. My favorite sports is football and basketball. Also, I'm ten years old going on eleven in December.

I want three good wishes from you for Christmas. I would like a mini motorcycle because the other kids in my neighborhood that live up the street had one, and I want to ride with them. Second, I wish I could get a Hummer H2O remote car. The reason I want this is because when I go over to my cousin's house, he always beats my little remote car, even when I charge it up. Last but not least, I would care for a new pair of shoes called air forces, the color white. I love these pair of shoes because the last ones got smaller, and I gave them to my cousin.

I hope you bring my wishes because I have been making good grades except in science sometimes. If you

bring my wishes, I give you a big thank you! Sincerely, Steve Smarr

Dear Santa, Hi! My name is Tyler Dale Spencer. I am in fourth grade. My favorite subject is math because math is easy to do for homework. The things I like to do is to go rock climbing and going swimming at the YMCA.

I want 3 things for Christmas. The first thing I want for Christmas is a new coat because mine is too little for me. The second thing I want for Christmas is a new game because I don't have any games to play in the house. The third thing I want for Christmas is a computer because I want to get on the internet.

Thank you, Santa, for whatever you can bring me for Christmas. I've been a good boy this year. I was a little bad this year, and I deserve these presents. Sincerely, Tyler Spencer
