Are Headaches Making Life Miserable?

If you have frequent moderate to severe headaches you may have migraine headaches. Women are three times more likely than men to have migraines which can negatively impact relationships at home and at work. Approximately 12% of the U.S. population suffer from migraines and only 50% are diagnosed and treated appropriately.

Learn more about the latest advances in the treatment and prevention of migraine headaches from our board certified physicians. Call Gaston Neurological at 704-865-1700 to schedule an appointment.
