The easy way to
Lose Weight

The only NATURAL and HONEST way to lose
weight permanently with BELL EZEE SLIMMING
PATCHES. It makes sense to change what made you
overweight. The patch helps men and women lose their
cravings for junk food and reduces overeating; the two
main reasons why people are overweight. No starving!
You have to fill your stomach with 3 healthy meals and 3
healthy snacks each day. Absolutely nobody can cheat the
stomach. You cannot take diet pills or meal replacements
all your life, as over time this will make your weight go up
not down. Yo-Yo dieting is a health hazard. Visit our
web-site to read the testimonials. Excerpts: "Lost
24 lbs without
starving. It really
works." "Lost
30 lbs over 1
year ago." "Kept weight off effortlessly for 2-1/2 years." "Tried
all other diets - no success." "Lost 85 lbs 1 year ago.
I love the patch." Many more testimonials at:

Know the truth! Universities of Colorado, Pittsburgh and Brown University all say it's the fat and calories
(overeating) that make you overweight. The patch makes it easy to adjust your eating habits, making it the only aid
of its kind that works in the long term. Experts say 85% will be overweight by 2010 unless we make changes with our
unique Bell plan based on Pritikin and Dr. Neal Barnard M.D.

Do You Have Diabetes?

Just half of the people with
diabetes know they have it. This is
troublesome because early
treatment and lifestyle changes can
prevent many serious
complications. People may have
diabetes for a long time without
showing symptoms; however,
damage to the body still occurs.
Untreated diabetes can damage the
eyes, kidneys, gums, nerves, and
cardiovascular system. Blindness,
heart attacks, strokes, or
amputation can result if the disease
is ignored. Some early signs of
diabetes include extreme thirst or
hunger; frequent urination; slow-
healing bruises; dry skin;
unexplained weight loss; blurry
vision; drowsiness; fatigue;

tingling or numbness in hands or
feet; and frequent or recurring skin,
gum, bladder or vaginal yeast
infections.

Cleveland Home Health
Agency is here for you whenever
your doctor recommends home
health care. Many of our patients
have diabetes and medical
conditions related to the disease.
We also carry diabetic monitoring
supplies and special diabetic shoes
in our home medical equipment
store at 105 T.R. Harris Drive.
Come see us!

Hint: Diabetes is diagnosed with a
fasting blood test.
