ART

One of the best art shows ever

Boy, have you ever been so hot? I am looking forward to fall, it just can't get here soon enough for me. I

Pat Childers Arts

am as wilted as my plants out in the yard, (what is left of them). On to what is going on at the art center. The "I Am Woman" show opening last Friday night was a big success. There are about 70 entries. What a show! If you missed it, be sure and come by to take a walk around. It is one of the best shows we have ever had. The art is great. It is not just paintings, but a lot of wonderful pottery also.

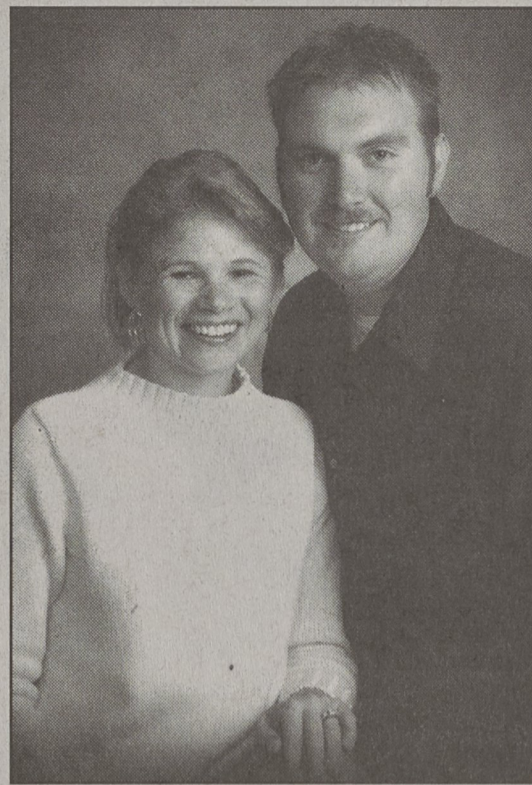

Our members have put up new art in the working area, where we show our art. That is also very good to view.

At our September meeting Mrs. Jewell Elliott will be teaching dried flower collage. She dries all these flowers herself, and what she does with them is a wonder. The meeting is September 6 at 6:30 p.m. for social and 7 p.m. for the program.

This is such an easy, fun project and, best of all, she shows you what to do and has some examples to look at. Call me anytime at 739-4787 after 5 p.m. if you are interested in coming out and being with us, or just show up at the Center. There is no charge and we at the Center and SAS would love to have you. Stay cool.
