## Waters leaving Chamber

By ANDIE BRYMER  
 Staff Writer

A familiar face in the Kings Mountain business community will be leaving his post at the Cleveland County Chamber of Commerce.

Kings Mountain office vice-president Tim Waters has announced his resignation. He will work until late September, according to Stuart Gilbert, president of the Chamber.

"We're going to sorely miss him," Gilbert said. "He's represented the Chamber well."

Waters represented the Chamber on the Tourism Development Authority, Business and Professional Association, Mountaineer Partnership, Kings Mountain Advisory

Committee and is a past president of Rotary.

Waters has been with the Chamber in Kings Mountain for four years.

Tuesday morning he called his tenure "a wonderful experience."

"It's given me an opportunity to grow mentally, professionally," Waters said.

Waters, a licensed Realtor, said he will now have an opportunity to pursue his real estate career and other opportunities which have presented themselves.

Waters' departure will not mean a change in the Chambers regular hours in Kings Mountain. It is staffed from 9 a.m. to noon Monday through Friday. The Chamber recently moved to a new location in downtown at 150 West Mountain Street.

## Fires still under investigation

By ANDIE L. BRYMER  
 Staff Writer

The Cleveland County Fire Marshall's office and the Grover Police Department continue their investigation into two fires at Minette Mills.

They have determined both fires are arson, according to Fire Inspector Bobby Horton.

Tuesday morning Horton said they still had to do a few more interviews. He would not say how the fires were started.

The first fire was July 10 and the second fire was Aug. 4. The first blaze was considered Grover's biggest in at least 100 years.

The blazes have destroyed half of the building, according to Horton. No monetary value has been put on the damage. The building, which is owned by Clyde Huffman, was not insured.

Firefighters from nine departments responded to both fires. Grover Assistant Fire Chief Jimmy Hensley has complimented their work on both fires.

## Dollar General to open in Grover

Shoppers in Grover will have a new place to shop for basic consumable merchandise when Dollar General opens its new store at 720 Cleveland Avenue. The grand opening is scheduled to begin Saturday, August 20 at 9 a.m., and continue through August 21.

The new 7,072-square-foot store employs approximately six to ten people.

Dollar General stores provide a focused selection of national brands and private brands of food, house wares, seasonal items, cleaning supplies, basic apparel and health and beauty care products. About a third of the merchandise in Dollar General is sold for just \$1 or less.

A longtime supporter of literacy, Dollar General takes a grassroots approach to supporting this cause. All Dollar General stores serve as a place where anyone can find out where to learn to read; where to take General Education Diploma (GED) classes and the GED test; or where to learn to speak and/or write English. In-store brochures feature a perforated reply card, pre-addressed and pre-stamped to ProLiteracy America. Upon receiving the cards, the

organization distributes the referrals to the appropriate adult education office in each state, making sure the right service is provided for each person's particular need. In 2004, the program served more than 8,700 people.

Dollar General is a Fortune 500® discount retailer with more than 7,700 neighborhood stores. Dollar General stores offer basic items that are frequently used and replenished, such as food, snacks, health and beauty aids and cleaning supplies, as well as a selection of basic apparel, house wares and seasonal items at everyday low prices.
