ALLEN**

Paid for by
Committee to Elect Woody Allen Sheriff

Cleveland County Sheriff

Why am I running for Sheriff?

Growing up as Sheriff J. Haywood Allen's son, I was raised to respect law enforcement and to understand the commitment necessary to make Cleveland County a safer community for all citizens.

My goals as Sheriff Would be to:

- Operate the Sheriff's Office within the County's budgetary constraints.
- Put more deputies on the streets and in communities without an increase in the budget.
- Have a good working relationship with all other police agencies in the county.
- Promote and hire deputies based on education, experience, and training and not for political reasons.
- Reevaluate the top-heavy rank structure within the Sheriff's Office.
- Make myself accountable and available.
- Hold everyone accountable to the Sheriff's Office Standard Operating Procedure Manual.
- Seek federal and State grants to help us fight crime and reduce the tax burden on Cleveland County residence.

I firmly believe we can work within the resources that are appropriated for the Sheriff's Office and I will work hard to meet and exceed the expectations of the people we serve in Cleveland County. If you would like to learn more about my vision, please give me a call at: 704.480.1944, email me at: woody@woodyallenforsheriff.com or visit my website at: woodyallenforsheriff.com.
