LEADERS SUPPORT SENATOR WALTER DALTON

"While I was County Manager, no legislator was more responsive to our needs than Walter Dalton. His assistance in obtaining state incentives was instrumental in bringing Chris-Craft Boats and Indian Motorcycles to Cleveland County. He is always fighting for us." Lane Alexander

"My late husband and I have long been supporters of Senator Dalton. I'm sure Charlie would want me to wholeheartedly endorse Walter Dalton for re-election to the North Carolina Senate." Sarah Vanhoy

"I remember meeting Walter Dalton in his first campaign. He said then that, if elected, he would always do what he could to help. He lived up to that promise with the Voice Interactive Network which allows police, fire and rescue to communicate more effectively." Roland Hamrick

"Walter Dalton has always supported our firefighters and emergency management. I know he is one of our champions in Raleigh. He always supported us in Cleveland County and has made a name as a friend to the firefighters throughout the state." Beau Lovelace

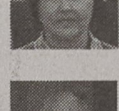

"During my tenure as the Superintendent of the Cleveland County Schools, Walter Dalton was a champion for public education and someone we could always call and count upon." Gene Moore

"I have known Walter Dalton for many years as a servant to our community. He works for ALL the people to make our communities a better place to live, work and worship." Rev. William Thompson, St. Peter Missionary Baptist Church

"Walter is smart and knows business. His common sense approach is practical and brings people together. I think we are very fortunate to have him in the Senate and he has done great things for Cleveland County. If we're smart, we'll keep him there." Kitty Hoyle

"We are fortunate to have Walter's leadership, experience, and seniority in the Senate. I knew when I met him ten years ago that he would go far and he has not disappointed. He is a leader we can trust and a leader who works to solve problems, not create them. He gets things done." Brooks Piercy

"Every election I put Walter's sign in front of my business and I am proud to do so. He has always been a friend to the farmer and small business. Walter represents us in a way that makes me proud. He is a gentleman, a family man, and one of the best legislators we've had." Cameron Ware

"Walter has always been a friend to industry and manufacturing. His support of the incentive program has helped attract industry and jobs to Cleveland County." J.T. Scruggs

"Walter Dalton is an effective senator for Cleveland County. He is intelligent, hard working and has genuine common sense. He knows how to listen and get things done. David and I have known Walter and Lucille for many years and have observed their honesty and dedication to service." Sally Royster
