My Grandfather, My Hero
By Brandon Fedrick for my Grandfather,
Jack Wheatstine 6-5-2007.

There once was a man who changed my life through his actions, inactions, and love of all. He was the one who showed me that an honest day's work was worth more than any pay given to the laborer. Through his quest to keep us free, his life was fraught with battles and wars. His triumph came when he past beyond mortality and went home to a loving Father. His spirit will live on and his influence will be felt in the hearts of countless billions as they come to know the man known as Hap. This is the story of my grandfather, my hero.
