National Guard honors McHenry

Congressman Patrick McHenry received the National Guard's Charles Dick Medal of Merit at an award ceremony in Shelby Monday.

The award is given to individuals who distinguish themselves as ardent supporters of the National Guard. It is named in honor of Major General Charles Dick, President of the

National Guard Association of the United States from 1902 to 1909, a Major General in the Ohio National Guard, a Congressman and late a Senator. He was responsible for the passing of the Dick Acts of 1903 and 1908 that established the foundation of the modern National Guard.

GROVER

From Page 6

(Water Director) Mike Church were over there for two hours probably getting stuff out of that well," Sides said. "It looked literally like they had stuck rolls of paper towels down the drains. It was about five 5-gallon buckets of the paper out of there."

He said that he suspects the back-up flowed from an area truck stop. "It was just like somebody flushed the commode and started paper-rolling," he said, adding "normally the paper would disintegrate."

In other announcements,

Sides said that Minette Mills has a new owner and plans are set to start cleaning up the old mill on March 10. The town tentatively set a date of November 8 for its second annual Fall Festival.

Sides said that a new dentist, William Weathers, DDS, who had a practice in Boiling Springs, has opened up shop on Laurel Avenue. Sides also announced that the Town of Grover in conjunction with the towns of Patterson Springs and Earl have applied for a training grant from the state of \$30,000. If they receive the grant, it will be split three ways and funds will be used to learn how to bring in more economic development.

Burning bans lifted in county and state

The statewide burning ban issued on February 14 was cancelled March 1 as was the one issued by the Cleveland County Fire Marshall.

Citizens are urged to use all safety precautions when conducting outdoor burning.
