

"They tell me I'm a man of true grit."

*Well, I don't know
pilgrim. But I can
tell you if...*

 *You need a good runnin' car with a lot of 'horse' power or*

 *A nice handlin' wagon that can blaze across the west or*

 *A clean new saddle for that 'smell like new' comfortable ridin'*

Then bring it on over to the Oak Grove Corral

where we'll Tune It Up, Align It Up,

and Detail it Up. Just to your likin'!
