Just a few of the ways Wells Fargo is here for North Carolina

Wells Fargo and Wachovia share a common legacy of local investment, and now that we're one team, we're able to create more economic growth and prosperity for the people we serve. In 2010, we invested \$219 million in 19,000 nonprofits nationwide, surpassing \$200 million for the third year in a row. That's an average of \$600,000 every single day to nonprofits supporting education, community development, human services, the arts, and the environment.

Here in North Carolina, we are proud to support local nonprofit organizations like the American Red Cross, Autism Foundation of the Carolinas, American Heart Association, March of Dimes, and Ronald McDonald House. Wells Fargo's contribution to organizations like these is just one of the ways we're with you in North Carolina, today and in the future.

Together we'll go far
