Jose Sanchez arrested on drug charges

Deputies from the Cleveland County Sheriff's Office arrested Jose Luis Benitez Sanchez, 24, 1010 Dodd St., Shelby, on two counts of trafficking cocaine on Sept. 25. He was jailed in the Cleveland County Detention Center under no bond.

Cleveland County Sheriff Alan Norman said that officers spotted a vehicle speeding on Cherryville Road, stopped the vehicle and noticed that the passenger in the car was extremely nervous and reached for the door handle several times as if he wanted to exit the car and run. Deputies became concerned about the passenger's actions and had him step out of the vehicle.

As the passenger stepped out of the vehicle deputies noticed a large bulge in his right front pants pocket. When one of the deputies brought the bulge to the attention of the other deputy the passenger grabbed the items in an attempt to conceal it further. Deputies removed the item from the passenger's pocket and found that it was approximately one ounce of cocaine.

As deputies attempted to place the passenger in handcuffs he pushed one of the deputies and started to run, but the deputies were able to restrain him and handcuff Sanchez without further incident, the sheriff said.
