Area residents enjoy VIP Fishing Tourney

Connie Collins, Donald Dougherty and Dale Lieser, all of Kings Mountain, fished off the Avalon Pier in Kitty Hawk recently with the North Carolina VIP Fishing Tournament for the blind and visually impaired. Dale caught a nice sized sea bass, Donald caught 14 various fish including some spot and Connie caught a fish. All three were among those from the county accompanied by Lucy Plyler, social worker for the blind, of the Department of Social Services. "They all had a ball," according to Plyler.
