

Christmas is in the air at the Depot

Christmas is in the air at Southern Arts Society and the annual open house is Sunday from 1-4 p.m. The public is invited.

Over 75 local artists will have their work for sale in the old railway depot in Kings Mountain. From fine arts to fine crafts there is a wide variety to suit everyone. For Christmas the entire depot is one large gift shop with only work by the best artisans around. Some of the wares for sale are paintings, pottery, jewelry, basketry, photography, hats and scarves, fiber art and wood work.

Also on sale is the 28th edition of their hand printed silk-screened calendars for 2013. The theme is "Images

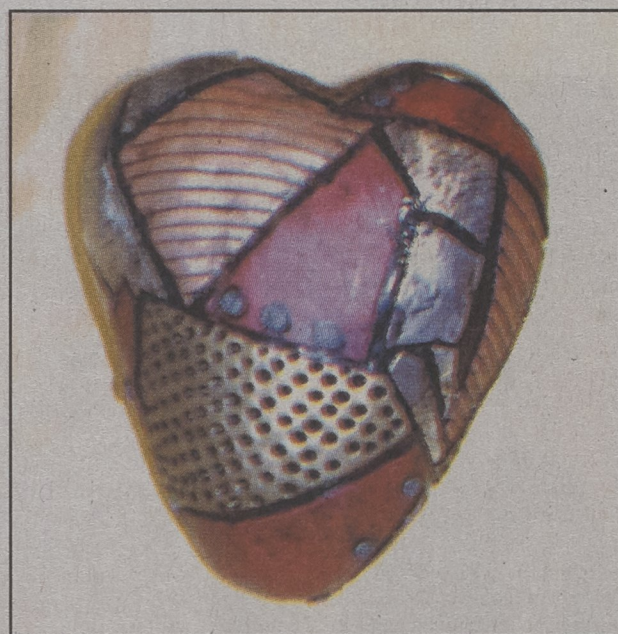

of the Past". Calendars are \$20 for the set of 12 months, frames to hold the set are \$25. Each calendar page is designed by a Southern Arts Society member; these are signed and numbered limited editions.

The Sunday before Thanksgiving is traditionally the kick-off of the sale of their hand printed calendars and the Christmas shopping season.

Hear the Singing Christmas Tree Nov. 23-25

Many families begin their holiday season by attending the annual Singing Christmas Tree, which will be held Friday, Saturday, and Sunday, Nov. 23-25 at Double Springs Baptist Church.

Dozens of singers blend their voices from tiers of a Christmas tree built to the ceiling of the church sanctuary and decorated with hundreds of twinkling lights.

The lyrics and the narration bring the message of Christmas while the musical accompaniment stirs the heart.

The hour-long service begins each evening at 7:30 p.m. Tickets are free of charge but are required by calling the church at 704.434.2258 (leave a message if there is no answer).

The church is located at 1130 Double Springs Church Road, just off Washburn Switch Road, near Lattimore.

Nutrition in Mustard, Turnip & Collard Greens

Mustard, Turnip, and Collard Greens are all nutritious leafy green vegetables that are very low in calories, though they are very rich sources of nutrients.

All three vegetables are an excellent source of calcium, a mineral that is vital for bone health, muscle contraction and blood clotting. They also provide folate, and vitamin C (1/2 cup provides up to 20 mg.).

Sauté greens in olive oil with garlic, and season with soy sauce.

Alternatively use greens in omelets or quiche, or add them to soups.
