# Recycled Guitar String Jewelry

by *bela Si boutique*

Kings Mountain residents Sarah and Brian Edmonson create unique jewelry through their shop, *bela Si boutique*.

They carefully handcrafted each piece of eclectic guitar string jewelry with recycled, retired guitar strings.

The strings have been donated by local musicians including Harvest and Big Daddy Love and L Shape Lot of Wilmington, as well as others.

These earrings, bracelets, and necklaces (for men and women) are reflections of inspiration to help you discover or uncover the inner **ROCKER** within you!
