Hardin Holiday House

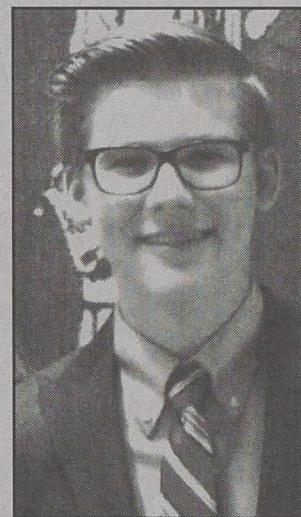

Cathy Hardin has decorated her home at 305 E. Parker Street in the patriotic July 4th holiday theme of red, white and blue. She loves to decorate and friends and neighbors enjoy the décor at every holiday season.

Devin Ayscue House Page

Devin Ayscue, son of Dan and Gina Ayscue of Kings Mountain, was selected to be a House Page for Speaker of the House, Tom Tillis.

The participation of the Pages is vital to the operation of the General Assembly. The House Representatives are encouraged to sponsor students from a variety of backgrounds throughout the state. Representative Tim Moore sponsored Devin to participate in the General Assembly this past week.

The North Carolina House Page program affords youths from across the state an opportunity to see firsthand how laws are made by participation in the legisla-

DEVIN AYSUCUE

tive process. Devin had the opportunity to help in committee meetings, in the of-

fices of the house representatives, and during the daily General Assembly sessions. He completed his week with a mini-educational workshop on State Government, question and answer sessions with several House members, and some tours of historic and government locations.

While serving with students throughout the state, Devin said he was very proud to be representing Kings Mountain High School. He said his experience was found to be especially interesting since Devin hopes to become a lawyer someday.

Devin has a sister, Emma, and a brother, Reese.

129 KM High students earn Career Readiness Certificate

During the 2012-2013 school year, 129 KMHS senior Career-Technical students earned a National Career Readiness Certificate. The National Career Readiness Certificate is based on the WorkKeys job skills assessment system in the areas of Applied Mathematics, Locating Information, and Reading for

Information. For employers, including those who recognize the certificate in Cleveland County, the Career Readiness Certificate offers a reliable means of determining whether a potential employee has the necessary literacy, numeracy and problem solving skills to be "job ready."

The portable credential is awarded at various levels including platinum, gold, silver, and bronze. KMHS seniors earned 32 Gold certificates, 77 Silver Certificates, and 20 Bronze certificates. WorkKeys assessments measure "real world" skills that employers believe are critical to job success.
