There are books about Santa's workshop and movies too There are amusement parks based on Santa's workshop People around the world have set up their own Santa's
The owners of these workshops have used their imaginations to recreate what they think is Santa's workshop, complete with toys of all types. There are replicas of Santa's workshop in Europe, the United States and elsewhere.
For those that don't have a chance to visit these workshop replicas, there are websites that focus on Santa's workshop and what you might see there if ever given the chance to visit. A's for visiting the actual Santa's workshop well, there's only one person you can ask about that-the man in the red suit himself! What will he say?

## NAME THAT TOY

Santa's workshop is filled with toys for kids of all ages. Fill in the blanks be found in Santa's workshop.

1) $\mathrm{DO} \quad \ldots \mathrm{S}$
2) $T R \ldots N S$
3) $T E \_Y B \_R S$
4) $C$ _ $R S$ \& $T$ UC_S
5) $B \_K \_S$
6) $\mathrm{BA} \quad$ _ S
7) $S K \_T \_S$
