some things that other teams may not. We played outstanding defense."

The Mountaineers' first two touchdowns came just about as fast as the lightning. Chance Fredrick blocked a punt on Forestview's second possession, and Bryan Sanders picked up the ball and rambled 17 yards for a touchdown to put the Mountaineers up 7-0.

Just before halftime, the Jaguars took advantage of a slew of Mountaineer penalties to get to the KM three yard line where they were able to get a field goal from Dylan Disarro with 10 seconds left in the half.

Kings Mountain's Kavin Mosely returned the second half kickoff 67 yards for a touchdown and a 14-3 lead. A two-yard touchdown run by Darian McClain made it 21-3 going into the fourth period.

"We got a great effort from our special teams," Lloyd said. "Then, in the second half we got our game going. I was proud of our effort. All in all, it was a good night, especially holding their running back (Neal) like we did. We had a good game plan by our defensive coaches. We ran to the ball better. We basically dared them to throw the ball. We had eight guys stacked up for him. Our defensive front did a great job. We swarmed him. I'd say during his career there have been very few games, if any, that he hasn't scored. Jake Merchant did a great job on him. We moved him up to outside linebacker and he spied him all night."

The Mountaineers broke the game open early in the fourth quarter on 20-yard touchdown

reception by Madisyn Bolin, and a 15-yard scoring run by Shaun Grier to go up 35-3 with 7:02 left in the game.

Late in the game, a pass interference against KM gave the Jaguars a first down at the KM 27. After two incomplete passes and a two-yard sack by KM defensive lineman Sabien Beam, the Jags' Jalen Sanders outjumped a KM defensive back for a 29-yard TD pass to round out the scoring.

East Rutherford, a team that always plays its best against the Mountaineers, comes to town Friday with a 2-1 overall record. Lloyd expects the Cavaliers to be a tough test.

"They always produce a very good team," he said. "They run some spread and shotgun. They have good backs and good team speed."

"They run a 3-3 stack defense which we don't see very often, so that's going to be a challenge. They'll come in here ready to play."

Lloyd said a big key for the Mountaineers is to get back the offensive momentum they had in their first two games.

"We have to take care of the ball," he said. "We got in a hole early against Forestview with a dropped pass and some fumbles. We have to get that of our system and be consistent on offense."

"Defensively, we need to keep the momentum from last Friday - run to the ball and tackle well. We had too many penalties and we'll have to adjust that in practice this week."

"We're still looking to put all three phases (offense, defense and special teams) together every week," he added. "If we do that our best games are still ahead of us."

JVs shutout Forestview 30-0

Kings Mountain High's JV football team rebounded from its season opening loss to Charlotte Christian with a big win of its own Thursday night at Forestview.

The Mountaineers blanked the Jaguars 30-0 behind the strong passing combination of quarterback Kaylon Wade and wide receiver Mike Toms.

The two connected for three touchdowns.

The Mountaineer defense also gave a great effort, forcing four turnovers including a fumble that was returned for a touchdown by Jonathan Rikard.

Tyler Osborne led the defense with an interception while Sedrick Morgan, Ian Bishop and Isaiah Dun-

ovant forced fumbles.

Other defensive standouts included JT Cash, Reese Rhinehardt and Stefan Chisholm.

The Mountaineers enter South Mountain Athletic

Conference play Thursday when they travel to East Rutherford for a 7 p.m. contest.

In Loving Memory of Billy Patterson
September 1, 1982 - May 3, 2003
You went to sleep one night, never here to wake again. But everything was alright, between you and Him. So you woke in Heaven's courtyard, free from pain within. The angels gathered around you and they took you by the hand. You are finally at Home serenaded by Angels.
Happy Birthday Billy, We Love You!
