Connie Phifer Savell, Eta State First Vice President of the Cleveland County Delta Tau Chapter of The Delta Kappa Gamma Society International (DKG), attended the annual fall Eta State NC Organization Executive Board Meeting, held at Elon University in Elon, NC, on September 12. Sheila Groves, Eta State president, and other state officials conducted the meeting.

One of the highlights of the meeting was the collection of pledges that members had made during the past year for the new North Carolina Delta Kappa Gamma Educational Foundation. The

foundation has recently been duly approved by the IRS as a 501(c)(3) nonprofit organization. The pledges were in response to The 100 Challenge—Launching a Dream issued by the foundation. Each of the eleven regions in North Carolina was challenged to obtain 100 pledges of \$10. The response was terrific—1,130 pledges, totaling over \$17,000, were made. Chapter presidents collected the tax deductible donations and brought them to the meeting. The foundation will provide grants for professional development, classroom and chapter projects, research, personal growth, and civic

engagement. To find out more about the foundation, visit their website at www.ncdkgef.org.

Established in 1929, DKG is a global service organization with approximately 76,000 members in 17 different countries. Members include professional women educators in both the private and public sectors. Selection is based on professional qualifications, leadership potential and personal qualities. The North Carolina organization has 104 chapters with over 4,300 members. Delta Tau Chapter currently has 24 members.

# Students perform "Frozen" at Neisler Life Enrichment Center

An adaptation of the 2013 American 3D computer animated musical fantasy film, "Frozen," was presented in a play by two students of Joan Baker to participants of the Neisler Life Enrichment Center recently and got rave reviews by Debbie Vaughn, Outreach Director, other members of the staff and participants.

Joan Baker's Studio of Fashion Modeling, TV Commercials, Pageantry and Stage of Kings Mountain showcased the singing and acting talents of two of her young Miss students.

Joan choreographed and directed a play portraying the student version of "Frozen," a Walt Disney fantasy film inspired by Hans Christian Andersen's fairy tale, "The Snow Queen." The film tells the story of a fearless princess who sets off on an epic journey alongside a rugged iceman, his loyal pet reindeer and a naive snowman to find her estranged sister, whose icy powers have inadvertently trapped the kingdom in eternal winter. The screen play, commissioned in 2011, was written by Jennifer Lee. By January 2015, Frozen had become the all-time best-selling Blue-ray disc in the United States.

The role of Elsa, the princess, was played by Gracie

Webster, 7, daughter of Ted and Kelly Webster of Kings Mountain. The role of sister Anna was played by Camden Pasour, 7, daughter of Kenneth and Heather Pasour of Dallas.

The young singers and actresses were in character and costumes like their characters in the movie.

Camden sang, "Do you want to build a snowman?" and Gracie sang "Let it go" and together they sang "For the first time in forever."

They ended their performance with a hug, a smile, a bow and a curtsy.

Mrs. Baker presented to each performer a Frozen tote bag and a balloon.
