Sr. Citizens, Hostesses, Enjoy Festive Christmas Party

Over 100 Senior Citizens, their guests, and hostesses from the Senior Womens Club celebrated the festive season at a Christmas party which was held at noon on Friday, Dec. 10th at the Womens Club.

Mrs. W.T. Weir, president of the Womens Club, greeted everyone at the door and gave a speech of welcome, assisted by Mrs. Paul Mauney and Mrs. Paul Hendricks, who were responsible for organizing the party. Mrs. E.W. Griffin, Sr., gave the invocation, after which long lines formed at the serving tables where the covered dish luncheon was spread.

The tables were literally overflowing with food and almost groaning under the weight of more than seventy dishes containing meats, vegetables and salad and over forty scrumptious desserts.

Three long tables and a top table were set with places for 100 people. The tables were decorated with Santa Claus napkins, candy canes and a favor for each person. The favors were small glass jars filled with candy and decorated as Santa Claus heads complete with red felt hats and white fringe beards.

Each table had three large Christmas center pieces which were given as door prizes at the end of the luncheon.

The Senior Choir from Kings Mountain High School sang a selection of Christmas music and carols conducted by Mrs. Merle McClure and accompanied on the piano by Lynne Bridges and Becky Cashion.

Door prizes were won by the following: Mrs. Robert Morrison, Mrs. Lula Blanton, Mrs. Virginia Herndon, Mrs. Irene Bossart, Mrs. Tracy McGinnis, Rev. Paschal Waugh, Mrs. E.J. Hoffman, Mr. Aubrey Mauney, Mrs. Manly Moorhead, Mrs. Marie Queen, Mrs. Settemeyer, Mr. John Cloninger, Mrs. Cornelia Herndon, Mrs. Boyce Patterson, Mrs. E.C. Cooper.

Members of the Womens Club responsible for organizing the luncheon were: Mrs.

Paul Mauney, Mrs. P.E. Hendricks, co-chairman, Mrs. B.F. Beam, Mrs. Byron Hord, Mrs. D.W. Blanton, Mrs. Milton Fryer, Mrs. Raymond Holmes, Mrs. S.H. Houston, Mrs. F.S. Morrison, Miss Annie Roberts.

LOUISA'S LETTER

Dear Louisa,

I wish you would give me some advice about a court that would take a dangerous killer from behind closed doors and turn him loose. My forty year old son was shot down by him for nothing and then the law did not try to find out the truth about the killing and they did not tell our lawyer or any of us when the trial would be. I know of two jurors who were there had a spite against my son. My son was married had four children and worked hard. More people have been killed the same way. I have tried to get the law to investigate some evidence I have picked up but they won't do it. My husband, brother and I just happened to go to the court house that day and we know what went on.

This man said he was go-

ing to kill me and he has threatened five others.
C. C.-Va.

Answer:

Your lawyer should certainly have known when the trial was to be and informed you. If things are as bad as you say they are in your community you must need a new district attorney and, if you can't get a proper trial by seeing the judge, it may pay you to write to your governor.

Of course I know nothing of this case or why your son was shot. The picture you sent of the family was very nice looking and I hope that your lawyer can do more than he has done for you in the past.

Louisa.

Never pay attention to those who say mean things about you; the probability is that the speakers reflect themselves.

Human beings may be divided into two great classes: those who do things and those who pretend to do things.

Rotary Has Yule Party

The Kings Mountain Rotary Club held a Christmas party for members and their wives on Thursday, Dec. 9th at the Kings Mountain Country Club.

The tables were covered with white cloths and decorated with red napkins and red poinsettias (one for every lady). Also on the tables were miniature Rotary banners from all parts of the U.S.A. and foreign countries.

Fifty six party goers dined on shrimp cocktail, steak, baked potatoes, salad and dessert. Bill Russell welcomed the lady guests and Mrs. Robert Goforth responded.

The Kings Mountain High School Senior Choir under the direction of Mrs. Merle McClure presented a program of Christmas music and carols.

President of the Kings Mountain Rotary Club is Joe Laney.

Junior Citizen, Stephen Mauney, son of Mr. and Mrs. Charles Mauney presents a Christmas favor to Senior Citizens, Mrs. E.C. Cooper watched by Mrs. Belle Finger, Mr. Sam Suber, Mrs. Rush Dixon and Miss Annie Roberts.

The Messiah was presented Sunday, Dec. 12th at Central United Methodist Church.

THE WORLD OF ENTERTAINMENT WHO KILLED MARY WHAT'S HER NAME?

The old cliché "a little good in the worst of us and a little bad in the best of us" seems to hold true in "Who Killed Mary What's Her Name"? Mickey (Red Buttons), a former lightweight boxing champion, reads in a newspaper an account of the murder of a prostitute named Mary and sets out to find out who killed her—because no one seems to care that she is dead.

He gets cooperation from other prostitutes in his search for the killer—simply because they feel he is sincere. Of course, the fact that he's rich and retired doesn't hamper their willing response.

In his search he finds that most prostitutes have "hearts of gold." This becomes a proven fact when Mickey, a diabetic, feels the need for a candy bar at the most unopportune times and places.

The cast includes Christine (Sylvia Miles), Val (Conrad Bain), Della (Alice Playten) and Alex (Sam Watson). The film runs 90 minutes and is rated "GP—all ages admitted, parental guidance suggested."
