Does the moon affect the weather and the planting of crops?

Yes, the moon affects the weather. It also affects the tides and high tide at the time of full moon is usually higher than usual. High tide at the spring equinox, and at the autumn equinox, is even higher when the moon is full at the same time.

The moon's effect on our daily weather is not yet fully understood, or determined, though it's believed to exert an effect. As for its value in the planting of crops, many farm experts and countless veteran farmers hold it has a definite relation. Results over the years seem to prove the theory.

The explanation for this theory isn't yet fully known.

By SYLVIA HOLMES

March 12th to 18th is Girl Scout Week and all across the nation, Girl Scouts are celebrating the 60th Anniversary of their organization.

In this area most troops started the week long birthday observation by attending Church with their troop last Sunday morning.

Our photographer went down to Grover last week and took pictures of the Brownie and Junior troop which meet at the Grover School.

Last Week the Mirror had a full page salute to local Girl Scout Troops and unfortunately one troop was inadvertently omitted from the troop roster. Our apologies to Junior Troop 96, Mrs. Colene Bennett, leader, at Grace Methodist Church, 17 girls in the troop.

There will be a program at the Community Center on Wednesday, March 15th at 7 p.m. for all local girl scouts,

their parents and troop leaders. The program will concern Camping and Miss Daisy Batorf, camp director of the Pioneer Girl Scout Council will show slides of the new camp at Golden Valley, she will explain the programs being offered and answer questions about camp. She will also be talking about Day Camp opportunities.

Girls who are not currently in a Girl Scout Troop, but who are interested in the Camp program at Golden Valley, are also invited to attend this meeting together with their parents.

The cookie sale is currently under way and will continue until Friday, March 24th. Five flavors of cookies are being sold: Mint Peanut Butter, Pecanette, Assorted Sandwich and Butter Flavored Shorties. The cookies sell for 50 cents a box and are available from your neighborhood girl scout.
