

Top Talent To Compete In City-Wide Show

The KMHS Kiwanis-sponsored 1972 talent show was presented during a morning assembly on Friday, April 14 before the student body. Four winners were selected by the judges: Mrs. Fred Withers, Mrs. Thomas Harper, and Mrs. Joe Neisler. Tim Echols' ventriloquist act Darnette Perkin's vocal solo, and David Lucas' baritone solo made the winning slate with individual performances, while the ten members of the "Rock 1970" band topped off the winning list. Marshall Blanton, Keith Franklin, Jane Tate, Terry Franks, Thomas Hinton, Vickie Boheler, Scott Bell, Mike Wright, Jimmy Stoll, and Roger Eaker, all KMHS Senior Band members, performed in this group. All four high school winners will be presented in the city-wide talent show.

During the past week, 8th grade students from Central Junior High School have been treated to an orientation program at KMHS. Groups

of junior high students visited our school for about an hour at a time and became familiar with the guidance program

by a score of 5-2. Junior Keith Parker knocked in 3 runs with his home run. Rick Hord, KMHS senior, pitched

and counselors, classroom locations, and were introduced to course selection programs and new course opportunities. Members of the welcoming committee of the Student Participation Organization guided the junior high students through a tour of the school.

The Mountaineers to victory. This week proved rough for some KMHS students who had a hard time getting adjusted to school routine after that week of Easter vacation. (Remember the 11th?) Spring fever has bitten and hearts of students and teachers as well are turning to the beach!

Bob Harkey, Nascar racer and volunteer aide in Champion Spark Plug's Safety Program, presented a program to our students during an assembly on Wednesday, April 12. He discussed the dangers of highway driving and interested the students with familiar illustrations of driving hazards especially common with teenage drivers. Mr. Harkey stressed the importance of owning a safe vehicle, of concentrating while driving, and of showing courtesy for "the other guy."

Mrs. Carl (Carolyn) McWhirter, KMHS Distributive Education teacher and Annual Staff sponsor returned to school after a stay in the hospital. Best wishes for a speedy recovery!

THE WORLD OF ENTERTAINMENT

THE LAST PICTURE SHOW

A small Texas town, Anarene, is the setting for the film "The Last Picture Show" and the time is the early 1950's when Truman was President and television was closing the smaller movie houses. There are no flash-back sequences to this period—the entire film depicts this era and (supposedly) situations as they were after World War II and during the Korean conflict.

Timothy Bottoms plays the lead role as Sonny Crawford, a popular high school senior and football co-captain. His best friend is Jeff Bridges played by Duane Jackson.

The story concerns the maturing of the young football hero and those who helped speed-up the process. The coach's wife, played by Cloris Leachman, gives Sonny some ideas of what love is all about and the prettiest and richest girl in town, who appears to be all bad, does her bit.

The entire cast is dedicated to portraying there's some value to life (a theme of movies of that era) in this film rated "R"—persons under 17 requiring parent or guardian.

HEALTH AND BEAUTY

We all know that when our feet are miserable we are miserable all over. They telegraph a message to our faces and no matter how careful our make-up job has been, we cannot look our best.

There is little excuse for foot discomfort nowadays. In the past it was considered nothing short of a disgrace to wear a large shoe size. However, today it's a different story.

Women allow the shoe salesman to measure their feet and accept his judgment. Your foot should be at home in the shoe he brings you. Shoe designers do wonders to make even the largest foot look attractive.

Stockings are our next consideration. If they press against the toes they can be uncomfortable and harmful. Be sure you choose them large enough.

There are wonderful new support stockings on the market that look attractive but give needed support to women who must spend long hours on their feet.

Modemized

Nowadays, when a man discovers his wife sewing on tiny garments, his reaction is: "My gosh! You're not going to wear that on the beach!"
