

"Moonlight and Roses" Is Theme of Prom... Teacher of Month Named

Two KMHS seniors, Martha Weiss and Jeff Hedden, were elected by the KMHS faculty this week as ACT Good Citizens of the Year. Jeff's curriculum includes English Vocabulary and English Literature, Economics and Sociology, and World History. He is the editor of the 1972

KMHS annual, the "Milestone", and serves as president of the Monogram Club and vice-president of the Key Club. Jeff is a member of the Kings Mountain Chapter of Demolay and formerly served as Master Counselor of the chapter. His future plans include furthering his educa-

tion at Appalachian State where he plans to major in business administration. Martha Weiss is presently employed by the Kings Mountain Hospital and plans to continue her education at the University of South Carolina where she will major in nursing. Martha serves as Teen Correspondent for the Shelby Daily Star, and is a member of the KMHS Human Relations Council. Her daily schedule includes English Literature and Composition, Office Aide, World History, Advanced Algebra and Trigonometry and Chemistry II.

The Kings Mountain Chapter of the Future Homemakers of America met this week during an assembly period on Thursday, May 4. The meeting was video-taped by Mr. Carl O. McWhirter, KMHS faculty member. FHA purposes and activities were explained by various members and officers of the club. This tape will be used as an introduction to the FHA for future club members.

Our National Honor Society enjoyed a cookout-meeting at the National Park on Monday night, May 1. Those present included NHS members of the preceding year and those recently inducted from the present junior class. Mrs. Sara Griffin, sponsor of the honor society acted as chaperone for

the group. During the meeting, officers were chosen to serve during the next year. Tim Echols, this year's president of the National Honor Society, presided over the meeting.

Twenty-eight members of the KMHS Science Club traveled to Pisgah National Forest this past weekend for a camping trip. The campers, including Mr. Phil "Uncle" Bryson, Mr. Hugh Putnam, Miss Kathy Medlock, and Miss Juanita Warren, enjoyed a 5 mile hike to the campsite, a chilling trip down Sliding Rock, and an educational journey to the Cradle of Forestry in Pink Beds, N. C. Mr. Putnam provided entertainment for the group with a round trip in his Bronco over the wilderness roads. The group, with Ricky Starnes as bus driver, left KMHS on Saturday morning about 8:30 and returned Sunday night.

Mrs. Ben T. (Juanita) Goforth was voted by students as top teacher for the month of April. This came as "quite a surprise", said Mrs. Goforth, who has experienced teaching at almost every level. During her teaching career, Mrs. Goforth has taught 8th grade courses, chorus, journalism, and all levels of

high school English. She selects junior and senior year English as her favorite classes, but enjoys all levels. When asked what makes teaching enjoyable, Mrs. Goforth says that being with young people is the best part. "The young people's viewpoint keeps me alert and makes life more interesting." Mrs. Goforth's dry wit and lively classroom antics have captured the hearts of many

KMHS students throughout the years. She says that as of now she plans an early retirement, but may miss teaching and return, I hope so. KMHS juniors and seniors and their dates were treated to a most attractive and enjoyable Junior-Senior on Friday night, May 5, from 8:00-12:00. The theme for the prom was "Moonlight and Roses", which was carried out in gym and table decorations. Music

was provided by the Nantucket Sledgeride, who were a really great group. Sophomore class waiters and waitresses aided in serving the guests and seating them at tables. Our thanks to the junior class for the fine job they did in preparation for the dance and especially to Mrs. Raymer, Mrs. Tommy (Kathy) Goforth, and Mrs. Juanita Goforth, who were instrumental in the Junior-Senior's success.

The person who talks all the time will have a lot of time to listen to himself, undisturbed.

Did you ever stop to think how bad the situation would be if everyone agreed with you?

Few people have the courage to resist the crowd, even when they know the crowd is off base.
