I promised you a good game last week between Temple and El Bethel in the Church League, and it was just like World Series time, with Temple Baptist winning by a 3-2 score. There were a lot of one run games last week, with some scores running up like a football game.

The fans really turn out for these church games. Excitement seems to run very high also. I promised you some statistics; so here they are:

Hitting	
Ray Cash	El Bethel .656
Tom Barrett	Temple .655
Lynn Attwood	El Bethel .612
Gary Oliver	Temple .600

Pitching	
Won Loss Pct.	
Lynn Attwood	4 0 1.000
El Bethel	
Tony Tompkins	9 1 .900
Temple	

Barry Rikard 4 1 .800

From time to time, we will keep you posted on these stats. In the Industrial League, Gastonia Knit has come on strong after losing to Carolina Throwing by beating both Dicey and Duplex. They, along with Skidmore's, have made the league race quite a bit more interesting.

An interesting sidelite is there are teams who are stronger on paper than others, but then, ball games aren't won on paper. Pre-season favorites more than often fall on their faces, particularly in softball. I wouldn't go out on a limb and pick any one team to win the title, but I will say there are eight who could win it. Look for a lot of upsets in the Industrial League.

Interesting games this week are Carolina Throwing vs. Champion's; Dicey vs. Champion's; Craftspun vs. Skid-

more's and Gastonia Knit vs. Oxford.

I haven't seen any fire-balling pitchers in the league yet, but there sure are a lot of guys striking out. I think some people are getting fooled at the plate.

What's in a nickname? Well, we have some interesting ones in the Industrial League. Here are a few:

- Sonny Jackson-----Mouth of the South
- Eric Yates-----Goat
- Tony Tompkins-----Tiger
- Dickie Burgess-----Sweet Thing
- Jackie Peterson---- Fat Jack
- Gary Oliver----- Dog

These are only a few, but, later on I will try to find out how these and others get hung up with these wild nicknames. Look for stats on Industrial League later on.
