### \$50 REWARD!

Has anyone seen Barbie Doll? She's a black & tan female German Shepherd dog last seen around the area 1 1/2 miles south of Kings Mtn. on both sides of I-85 (near where the rest area is under construction). She jumped out of a car involved in an accident there on Oct. 23rd and is hanging around that vicinity. She is not vicious, but does not like strangers, so the only way to get hold of her will probably be to feed her. The reward will be paid to the person who turns the dog over to me and/or to the person who can tell me exactly where she can be located. A smaller reward will be paid if Barbie is dead and you notify me so that I may be certain it is Barbie so that I will know one way or the other. She was my constant companion and I am absolutely lost without her. If you find her, please contact Mr. Ware at Kings Mtn. Fire Dept., who is handling all leads for me to save on long distance phone bills. SIGNED: Joy Tredinnick, Fayetteville, N.C.

## THE POPULAR VOTE.

## WHY ISN'T IT MORE POPULAR?

The next President of the United States could be elected by default. It's happened in 11 of our Presidential elections in this century. The winning candidates were chosen by the second largest group of eligible voters. The largest group didn't vote.

Vote for the candidate of your choice and you vote for the country and everybody in it.

This year, November 7th, take part in the popular vote.
