Letters

To Whom It May Concern: The Kings Mountain Ministerial Association would like to thank everyone who has contributed in any way to the helping hand fund or the toys for Christmas project. Without your help these projects would never be a success. Christmas was made a little brighter for many children because of your thoughtfulness and love.

I think Matthew 25:40 says it better. "And the King shall answer and say unto them, verily I say unto you, inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

President,
