**It's here!**  
The encyclopedia devoted to the things kids like most.

Get a youngster to pull out an encyclopedia can be like pulling out teeth. So Funk & Wagnalls now brings you an encyclopedia made up of the kinds of things kids go for: things that creep, things that hop, scorpions, hissing snakes, and much more. Funk & Wagnalls' Wildlife Encyclopedia and Encyclopedia of Animal Life. Both sets sold for over \$75.00 each.

But because Funk & Wagnalls sells encyclopedias in great quantity, direct through supermarkets, you can buy this encyclopedia for about half that price. And you can buy it a volume at a time. As a special introductory offer, try Volume 1 now for just 49¢ at any of our supermarkets. Then, each week when you shop, pick up a volume or two for just \$1.99 each and complete the set. Start your set today. Help your youngster to enjoy learning, by learning about something he enjoys.

**Wattlebird** (See Vol. 21) Has bell-like call and wings of a bird, but prefers to travel by foot. Hunts forest floors for meals, bounding left and right like a ping-pong ball.

**Horseshoe Bat** (See Vol. 9) Night flyer with weak eyes. Follows his horseshoe-shaped nose to food by using his ears. (Guided by the echoes of his squeaks.)

**Coral** (See Vol. 5) Tiny, marine carnivores with mouths, stomachs and tentacles. By multiplying, they form spectacular reefs, sometimes a thousand miles long.

**Tree Frog** (See Vol. 20) Springs from branch to branch like a trapeze artist. Suction-cup toes keep him from falling. His voice is more clank than croak.

**Koala** (See Vol. 10) Loudest voice in Australia, healthiest odor. (He eats eucalyptus leaves, smells like cough drops.) Also known as banyaroo, koowling and... Teddy Bear.

**Fossa** (See Vol. 7) Looks like a wildcat, smells like a skunk. Only two feet long, but has been known to attack oxen.

**Funk & Wagnalls Wildlife Encyclopedia** **49¢**  
For Vol. 1 **\$1.99** each for Vols. 2-22
