ADK Chapter Met Monday

The October meeting of North Carolina Beta Chi Chapter of Alpha Delta Kappa featured the commemoration of the 28th anniversary of Alpha Delta Kappa, International Honorary Sorority for Women Educators founded in Missouri in 1947 by Mrs. Marion Southall, Mrs. Hattie Poppino and Mrs. Marie Neal. In 1955 Alpha Delta Kappa was made international with authorization to establish chapters in other countries.

Mrs. Howard Bryant was hostess to 18 members at her home on Crescent Circle. Miss Jackie Blanton and Mrs. Eugene McCarter assisted the hostess in serving lemon tarts, cheese straws and tea on arrival of members.

One of the main objectives of Alpha Delta Kappa is to

promote educational and charitable projects and activities. The Kings Mountain Chapter has been involved in this type of activity since its organization.

The outstanding continuing project of the group has been establishment of a scholarship which is awarded annually to a graduating senior at the Kings Mountain High School who plans to enter the educational profession. The \$200 scholarship has been given three times.

Other recent activities include gifts, visits, and programs for area nursing homes, contributions to the Boys Home at Lake Waccamaw, and gift subscriptions for children's magazines to the Kings Mountain Hospital

for the young patients there. Money for the projects comes from the annual flea market and bake sale sponsored by the chapter.

The purpose of ADK are to give recognition to teachers who have proved themselves to be strong, efficient, professional teachers; to build a fraternal fellowship which will be valuable professionally and socially; to promote high standards of education and to assist in strengthening the status of the teaching profession; to sponsor scholarships and altruistic programs and to

cooperate with worthy community projects.

Alpha Delta Kappa has grown steadily and now has 1,593 chapters, with chapters

in every state including the District of Columbia, Alaska,

and Hawaii — in Canada, Jamaica, Puerto Rico, England, Argentina and Mexico, Kansas City, Mo., is international headquarters.

Alpha Chapter, chartered in Charlotte April 3, 1954, was the first in North Carolina. Gretta Kistler was state chairman from 1954-56. Sigma Chapter, chartered in Shelby Dec. 8, 1958, was the first in Cleveland County. In 1971 International granted permission to establish a chapter in Kings Mountain, thus, Beta Chi was chartered Nov. 4, 1971. Mrs. Edith Bridges served as first president. Mrs. Carolyn Finer is currently president.

Takes Part In Rescue Mission

Coast Guard Machinery Technician First Class David R. Wallace Jr., son of Mrs. Ida W. Wallace of Rt. 1, Bessemer City, recently participated in a rescue mission aboard the Coast Guard Cutter Courageous, homeported at Cape Canaveral, Fla.

He and his shipmates were notified by the Rescue Coordination Center, Miami, that a small private Airplane had been forced to ditch off the coast of Freeport in the Bahama Islands.

The Courageous assumed the responsibilities of on-scene commander, coordinating the efforts of Coast Guard aircraft and numerous private planes and vessels to locate survivors of the crash.

After three hours, passengers from the downed aircraft were spotted in the water and picked up by a helicopter, which has been dispatched by the Courageous. All of the passengers had escaped from the crashed airplane, which has sunk immediately, and there were no serious injuries.
