**Missionary To Speak**

Rev. Marion Birch, a missionary of The Wesleyan Church to Sierra Leone, West Africa, will speak Sunday at 11 a. m. at First Wesleyan Church, North Piedmont St. A graduate of Houghton College and Wheaton College, Rev. Birch first went to Sierra Leone in 1945 to devote his time to village evangelism and the translation and printing of reading materials in the language of the people. He is an expert in the Temne dialect and served on the revision committee of the Temne New Testament.

During his years of service as field superintendent Mr. Birch had oversight of the many-faceted work of Wesleyan World Missions in Sierra Leone. This involved the vernacular Bible schools, day schools and medical missions. A twin sister, Dr. Marilyn Birch, also serves in Sierra Leone. The Wesleyan Church has 46 congregations, one hospital, three dispensaries and clinics, 43 elementary schools and two secondary schools in Sierra Leone. This, the oldest mission field of the church, has benefited from its medical and educational programs.

REV. MARION BIRCH

Rev. Birch will tell about his work in this interesting country of West Africa and of the people and growth of the church. Curious will be on display.

The Wesleyan Church serves in 34 countries, including Canada, Great Britain and the United States. While the major emphasis in the overseas outreach of the church is placed on gospel evangelism, an extensive medical and educational program has been carried on by the denomination in several areas of this worldwide gospel enterprise. Bible Colleges and training schools are given major emphasis in the effort to prepare nationals for the ministry and other leadership positions.

The pastor invites all in the community to hear Rev. Birch.

**New Mormon Missionary  
Arrives Here For Work**

On Sept. 19, another Mormon missionary arrived in Kings Mountain.

Elder Dennis Crossman, of San Diego, Calif., is here working with Elder Brian Fisher of Bountiful, Utah. The pair are serving two year missions for The Church of Jesus Christ of Latter-day Saints.

During their two years they will travel to many areas within the state. These two dedicated young men serve without pay for the complete two years. When asked how they support themselves, Elder Crossman answered, "Before I came out on this mission I worked and saved my money. When the money I saved up runs out, my parents have offered to assist."

An interesting thing about the church is that they do not have a paid clergy. They feel what they have received freely they are happy to give freely. Each member of the

church is given the opportunity to grow by participating in the meeting by giving talks or other gospel presentations. They are firm believers they should be "doers of the word and not hearers only, and that "Faith without works is dead."

"Our message of the Restored gospel is to all men everywhere," the elders said, also mentioning that, "we would especially like to speak to the father of the home because as head of the household it is his responsibility to see that his family is cared for Spiritually as well as physically."

"We are looking forward to talking with the people of the community" they said, and mentioned that "all are welcomed to sit in on their services each Sunday morning at 10:30." Meeting place is Senior Citizens room of the local Community Center.

"We're as near consolidated as can be".

Speaking from the audience, Steve Wells said he didn't envy school trustees particularly now with suit possibilities in other areas of the state between teachers and boards of education.

To question by Charles Mauney, Supt. Jones said the two highest vote-getters of the six in the running will be declared the winner. "There will be no run-off", said Jones.

The new board members will be sworn first Monday in December with current terms expiring Nov. 30 and reorganization of the board at the first meeting in December.

In other actions, the board elected Mrs. Juanita Lutz, third grade at West, replacing Mrs. Mary Fisher who has moved with her family to Atlanta, Ga. and Gene Alexander, replacing Cary D. Osborn as KMHS teacher of dramatics and English. Mr. Osborn resigned for reasons of health.

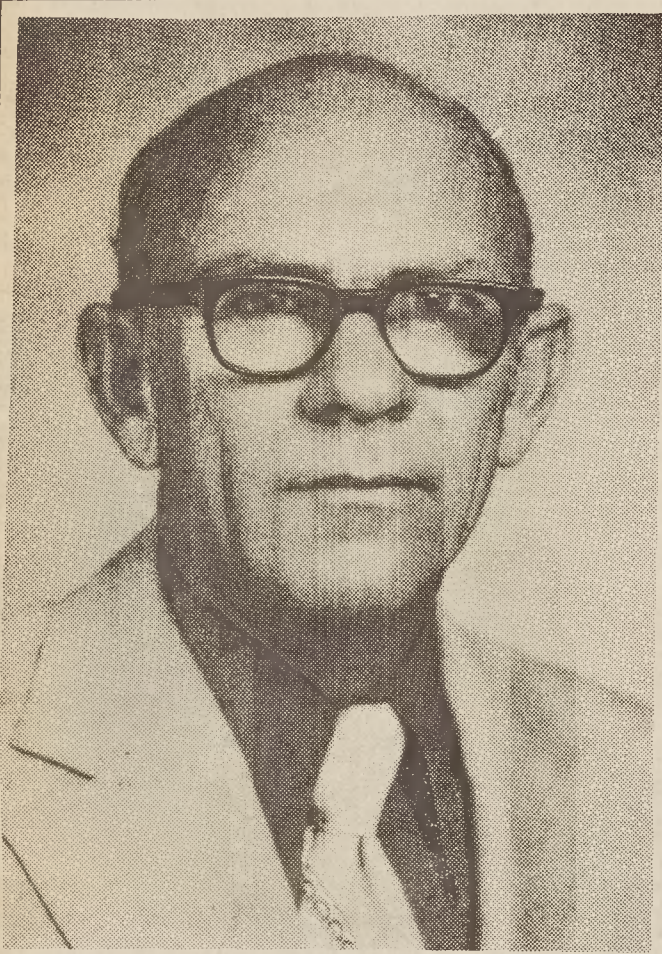

The board voted Mrs. Rebecca Champion a 20-day sick leave extension and released children of Donald C. Edmonson to Cleveland County Schools.

pretty much ruled out. "The walk will be just six feet wide and with trees there won't be enough room for pedestrians," Fox said.

Fox said bids for construction of the lot are scheduled to be called for on Nov. 24 and construction to begin about Jan. 5, 1976 with the conclusion in April or May, depending on weather conditions.
