

## Kiwanis Club Sponsors 'Horn In West' Plans Kings Mountain Night

The Kings Mountain Kiwanis Club is sponsoring a "Kings Mountain Night" at the Sat., July 24 performance of "Horn In The West" in Boone.

Lyn Cheshire and Marvin Teer, co-chairmen of the project for the Kiwanis club, said the adult tickets for the performance are \$3.

"If we have enough lead time we can arrange lodging and sidetrips to Grandfather Mountain and Blowing Rock," Cheshire said. "We would like to have response no later than July 20."

At the performance on July 24 Mayor John H. Moss will make an address on behalf of the city.

This is the 25th season of Kermit Hunter's outdoor drama at Boone. "Horn In The West" tells the story of the tar heels who fled to Tennessee to live, then joined in the overmountain march to do battle with Maj. Patrick Ferguson in the Battle of Kings Mountain in 1780.

Glenn Causey again portrays Daniel Boone and Charles Elledge of Dallas is again seen as the Rev. Isaiah Sims. Both performers have been with the show for 20 years.

Elledge, who is a retired school teacher, principal in Gaston County, became Rev. Sims 20 years ago when

Hunter rewrote the script to include the part. Hunter said the part was created especially for Elledge.

KMers interested in going to Boone for the July 24 performance of "Horn In The West" may contact either Cheshire (739-3661) or Teer (739-4771) for tickets.

### Parking Citation Warning

The Kings Mountain Police Department will begin issuing citations to owners of vehicles parked on the wrong side of city streets this week.

Chief Earl Lloyd said by definition correct parking where permitted means the right side of a vehicle is next to the

curb. When the driver's side is next to a curb citations will be issued.

Chief Lloyd said that persons parking vehicles on sidewalks and blocking private driveways during sports events will also be cited.

### Building Permits

Parton Grocery, 800 Second St. bought a city building permit last week to construct a new store building at the corner of Second St. and Linwood Rd. at estimated cost of \$5,000.

In other building activity reported in the city, the building inspector's office reported that King City Stereo purchased a permit to remodel the old Bus Station on W. King St. Huffman Brothers eas issued moving permit to move a house from 312 Cleveland Ave. to Grace St. and Warren Dese, 511 Rhodes Ave., purchased permit to construct a utility building.

**ACCIDENT REPORT**  
For the week of June 28-July 4 the State Highway Patrol reports a total of 17 accidents in Cleveland County. Unsafe movement was the chief cause of the accidents which claimed one life and injured eight others. The county's road death toll to date in 1976 is 11.

**WESTMORELAND SPEAKS**  
Dean Westmoreland, past president of the N. C. Association of Educators and a social studies teacher at Kings Mountain Senior High, is guest speaker at tonight's KM Kiwanis Club dinner-meeting. The club meets at 6:45 p. m. at the Woman's Club on E. Mountain St.

**OFFERS PRAYER** — The Rev. Isaiah Sims (Charles Elledge) offers a prayer before the settlers take part in the overmountain march to Kings Mountain to battle Ferguson's forces in this scene from Kermit Hunter's "Horn In The West." The Sat., July 24 performance is planned as Kings Mountain Night.
