

1979-80 Kings Mountain School Bus Schedules

School buses will begin operation in the Kings Mountain School District on Fri., Aug. 31, (orientation day) and schools will operate on an 8:30-11 a.m. schedule for this day only. Tues., Sept. 4 will be the first full day of operation.

"Students planning to ride buses to schools should be ready to board buses by approximately 7:15 a.m. on August 31. The same policies and procedures utilized during the 1978-79 school year will be applicable until notice of change is issued," said Larry Allen, transportation director.

Beginning with the 1979-80 school year, Kings Mountain schools

transportation will be serving the students with three different bus fleets. Fleet No. 1 will serve the elementary students, No. 2 will serve the Central students and No. 3 will serve the junior and senior high students.

Each elementary bus will follow the same general route descriptions as last year. Central School's and the jr.-sr. high school's bus routes have been altered to allow for smoother operation and more efficient use of school time, Allen said.

The following route descriptions will generally explain the roads, streets and communities that the grades 6-12 buses will serve.
