

**PEE WEE CHEERLEADERS**—These young ladies cheer the Kings Mountain Optimist Club pee wee footballers on to victory. Left to right, on ground, are Julie Yarbrow, Lisa Ivey, Lisa Huffstickler, Christy

Davis, Teresa Shirkey, Miranda Arrowood, Rene Johnson, and Misty Shockley. On goal posts are Tina Howell, left, and Tina Anderson.

## A Record Round At KMCC

Congratulations to Stoney Jackson and John Howze for shooting a new course record 133 to win last week's Member-Member at Kings Mountain Country Club. John Gamble and Darrell Austin Jr. tied the old course record of 135 but couldn't overcome Howze and Jackson's pace as they birdied four of the last five holes.

Congratulations also to all the flight winners, including Al Grigg and Mike McDaniel in the championship B flight, Gene Timms and Louis Sabetti in the first flight, and Jim and Scott Cloninger in the second flight...

Last week, Larry Dunn, Mickey Powers and myself went to Boone for the Blue Ridge Pro-Am and finished

in ninth place with a score of 13-under-par. I had a 69 to give me fifth place and my best finish of the year in a pro-am...

Rodney Morrow, Cleveland County's contribution to the PGA tour, had his best showing of the year in the Buick Open two weeks ago. He shot a one-over-par 289 for the four-day tourney and pocketed over \$1,000...

On October 19 there will be a Pro-Am at Kings Mountain Country Club. If anyone cares to come by and watch some of the top pros in the two Carolinas, please feel free to do so... In closing, I would like to thank the Herald for giving me the opportunity to write this column each week. If you have any golf news please let me know by calling 739-5871.

# PHARMACY PLUS

We read between the lines at Pharmacy Plus. When we read your doctor's written prescription, we see more than the name of the doctor, the dosage and the name of the medication. We see how this information relates to you. We check on other prescriptions you may currently be taking, so we can warn you and your doctor if you're mixing a potentially harmful group of drugs. We look into your past records to make sure you've never reacted badly to that type of drug before. At your Pharmacy Plus store, we take the time to care—about you and your family.

# 10% OFF

## B-D MICRO-FINE INSULIN SYRINGES.

Because we care about your comfort.

Your Pharmacy Plus pharmacist is pleased to offer you a 10% savings on the insulin syringe that gives you maximum comfort plus maximum accuracy.

- Individually controlled Sharpness—for a more comfortable injection every time.
- Micron-Bead™ Polishing—for the finest degree of sharpness attainable.
- Double Lubrication—twice as much as ever before.
- Electronic Inspection—so each injection is precisely as comfortable as the one before.
- Single-scale ADA-approved Markings—for greater protection against possible dosage error.

## Reach out and touch someone this weekend.

**\$2.34** plus tax

For a 15 minute call.

That's the most you pay for a 15 minute call dialed direct\* between 11 p.m. Friday and 5 p.m. Sunday from North Carolina to any other state (except Hawaii and Alaska). And this low rate also applies every night of the week when you dial direct between 11 p.m. and 8 a.m. Long distance: it's still one of the biggest bargains around.

Call this weekend, 15 minutes from anywhere in North Carolina.	
Dialed direct on weekends.	
Chicago	\$2.10**
Denver	\$2.22**
Los Angeles	\$2.34**
Miami	\$2.10**
New York	\$2.10**

\*\*plus tax

Reach out tonight with long distance. It's a lot of love for the money.

\*Direct-dial (without an operator's assistance) rates apply on all calls within the U.S. Direct-dial rates do not apply to person-to-person, coin, hotel-guest, credit card, collect calls, calls charged to another number, or to time and charge calls. For direct-dial rates to Alaska and Hawaii, check your operator.

Kings Mountain Junior High's jayvee footballers host Grandview of Hickory Wednesday at 4 p.m. in their first home game.

The Little Patriots tied Crest 6-6 last week to bring their record to 1-0-1. They had beaten West McDowell 12-0 in their opener two weeks ago.

Crest grabbed an early lead in the first period and the Little Patriots fought back to tie it at 6-all with 15 seconds remaining in the first half. Kings Mountain had two other drives halted inside the five yard line.

Curt Pressley's 30-yard halfback pass to Tyrone Grier accounted for the KM touchdown. The play was set up on an unusual pitchout from quarterback Todd Cloninger to running back Arnold Jordan. On a fourth down play, Cloninger went back to pass and was being tackled by a couple of Crest defenders. Just before falling to the ground, he pitched to Jordan who ran for a first down. Two plays later, Pressley and Grier connected for the touchdown pass.

Coaches David Heffner and John Bumgardner

cited tackles Randy Whitaker and Rodney Lewis, Grier, Pressley, Jordan and Jeff Chapman for their offensive play and Chapman, Pressley, Jordan, Thomas Putnam and Eric Odums on defense.

Kings Mountain drove within inches of the goal midway of the second period before an offsides penalty and a loss of downs killed the drive.

With 6:18 left in the half, KM drove to the 25 with the help of a 15-yard face mask penalty. Jordan covered 15 yards for a first down at the 10 and a Crest offsides penalty gave KM a first-and-goal at the five. On fourth and goal at the two-inch line, KM jumped offsidelines and the ball was spotted just shy of the five. Crest then held and took over on downs.

Crest drove out near the midfield stripe before Putnam intercepted a pass and set KM's touchdown drive in motion.

With 1:50 left in the game, the Little Patriots drove to the two yard line but fumbled. Crest was able to move back to the 25 before time ran out.

## Dye's Team On Top

Johnny Dye's team won three of four games from Betty Hullender to take an early lead in the first week of action in the mixed duckpin bowling league Thursday night at the Dilling Heating Lanes.

Dye and Don Roark had 135 games and Dye had a 350 series to lead the winners. Betty Hullender had a 114 line and 319 set for the losers.

In other action, John

Dilling and R.W. Hullender teams split a four-game series. Dilling led his team with a 141 game and 377 set. Hullender and Johnny Belk had 108 games and Hullender had a 305 set.

Tuesday night League action is slated to begin next month. Two women and three men are needed to complete the teams. Anyone interested in bowling on a team may call John Dilling at 739-3446 during the day or Betty Hullender at 739-5852 after 5 p.m.

## Jayvees Lose

Kings Mountain High's jayvee footballers scored their first touchdown of the year Thursday at East Gaston, but dropped their third straight defeat 12-6.

The Little Mountaineers travel to Shelby Thursday night.

Eric Borchert scored the only touchdown for KM at East Gaston on a three-yard run in the third period. Both of East Gaston's touchdowns came in the first half. KM drove inside the five once in the first half but lost the ball on downs.

"We improved a little," noted Coach Charlie Burns. "We could have won the game if we'd cutout some of our mistakes. But we were more consistent than we've been all year and all the players played hard."

Burns cited quarterback Jerry Tatum for his offensive play and fullback-linebacker Carlos Owens for his play on both offense and defense.

## SOUTHERN RAILWAY CARRIES THIS MUCH LUMBER 174 MILES ON A GALLON OF FUEL.

"Guess how far a truck could carry it."

L. Stanley Crane, President, Southern Railway System, Washington, D.C. 20013

The railroad is the most efficient user of fuel in the transportation industry. Bar none. And the Southern Railway is one of the most

efficient railroads in the country. For instance, on the Southern, this 2,511-lb. load of lumber can travel 174 miles on one gallon of fuel. How far could a truck carry it on the same amount of fuel? Well, the railroad is four times more efficient than trucks. 60 times more.

efficient than planes, and even more efficient than barges. So it's easy to see that trucks can't carry freight anywhere near as far as railroads can per gallon of fuel. What does this mean for the future? Well, it means that trucks will be used less and less for long hauls. More and more

products will ride on the Southern, and trucks will be used for distribution at the other end of the line. Because, in the coming years, only the railroad will have the energy-efficiency for long hauls.

We have the energy for the long haul.
