## It Was Hawaii In Kings Mountain For Convalescent Center Residents

The Activities Room of Kings Mountain Convalescent Center was transformed into an Hawaiian luau setting Wednesday afternoon.

Residents dressed in colorful dresses with hand-made leis they had made for themselves and were seated at tables made festive with pineapple and floral centerpieces. Grass skirts and Hawaii vacation posters decorated the walls.

Hawaiian music was played as fruit compote

and Hawaiian punch was served.

Program for the afternoon was a travelog of slides taken by Elizabeth Stewart, Ruth Gamble and Orangrel Jolly during trips to Honolulu, Hawaii. Miss Stewart and Mrs. Gamble attended an American Legion Auxiliary national convention and Mrs. Jolly visited relatives there. Miss Stewart, assisted by Mrs. Jackie D. Barrett, showed the slides.

Evelyn Wilson, ICF social designee, Faye

Barbee, ICF activities co-ordinator, Sharon Stiles, S&F activity co-ordinator, and Paulette Collins, S&F social worker, led the residents in "hula" dancing, assisted by Mrs. Barrett and Mrs. Jolly.

Other members of the staff, including Mrs. Sue Payne, Administrator, joined in the fun. Mrs. Payne will be going to Honolulu this month to attend a convention of nursing home administrators.
