# Crosby Wins Award

Christopher "Steve" Crosby of Kings Mountain is the recipient of the \$3,000 Harry V. Anderson, Jr. Fellowship Award for students in the public administration degree

STEVE CROSBY

program at the University of North Carolina at Chapel Hill.

The annual award was established by Management Improvement Corp. of America (MICA), a Durham-based company, in honor of the late Anderson, former Lexington mayor. Anderson was struck and killed by lightning in 1978.

The award was presented by Lew Brown, MICA's vice president for Government Services at the annual MPA Alumni Reunion luncheon held Friday. MICA provides management services and products to local governments and private industries from offices in the two Carolinas, Virginia, and Florida.

Brown said the fellowship was established to further promote the growth and development of professionalism in public-sector management in North Carolina.

"This award recognizes the commitment and dedication to excellence in public service which

the late Mayor Anderson exemplified," Brown said. "Our company is dedicated to these same goals and we hope to foster them through this fellowship."
