

Second Break-In In Three Weeks At City Stadium

Thieves Cart Off Optimist Football Equipment

Thieves broke into the City Stadium Field House for the second time in three weeks Friday night and carted off all the equipment belonging to the three Optimist club and youth football teams.

"It's a disgrace that they're stealing from these kids," said Coach Will Sanders. "This is the second time this year we've had our equipment stolen and twice last year." Sanders said the stadium was locked, and according to police reports, thieves went over the fence, pried the latch and lock off the door as well as the metal door on the outside and the wooden inside door.

"We didn't even have a ball to play the final game Monday night," said Sanders, who said he had to go out and pay \$27 for a football.

Sanders said that local Optimists would appreciate any "help in getting all our equipment back. If anyone notices a person wearing one of our jerseys, please let us know. Last year, he said the club was able to recover some of the jersey.

Mr. Sanders said he is distressed that three weeks ago when thieves cut a hole in the concession stand and went through the top that the local police did not investigate. Sanders says he called police. Records Clerk Marti Southards could find no record of the complaint and report of investigation. Sanders said that Optimist coaches repaired the fence.

Police estimated the value of Optimist goods stolen on Friday night at \$291.
