

This Is Last Week To Register For Christmas Bazaar

This is the last week to register to participate in the City of Kings Mountain Parks and Recreation Department's First Annual Christmas Bazaar to be held in the Kings Mountain Community Center gymnasium, Fri., Dec. 7, and Sat., Dec. 8. Final registration and fee acceptance will be Mon., Dec. 3, at 7 p.m., at a meeting of all participants and interested people in the Mountaineer Room, Kings Mountain Com-

munity Center. This meeting is to complete registration and to draw for tables to establish participants on the gymnasium floor plan. Each group-individual paying the \$10 registration fee will be given 2 tables, 4 ft. by 8 ft. each, placed in a "V" for greater display area.

Items from the various participants will include: baked and canned goods, stained glass,

pottery, crochet and knitted items, crewel work, dried flower arrangements, macrame and wicker items, pillows, scarves and toboggans, and various Christmas items. A special demonstration area will be set

up by local artist Tence Rhea for her pottery wheel to show the process of that art.

Entertainment is scheduled intermittently throughout the two-day Bazaar, including a special appearance sometime

Saturday afternoon by Santa Claus to take special requests.

"We are really excited about the response and cooperation we have had in getting the Christmas Bazaar together," said Mike Nappi, Supt. of the

Parks and Recreation Department.

The Christmas Bazaar will be open and free to the public from 1 until 10 p.m., Fri., Dec. 7, and 10 a.m. until 10 p.m., Sat., Dec. 8.

Seaman Croom Ends Training

Navy Seaman Recruit Gary Z. Croom, son of Vada A. Overman of Route 3, Box 517, Bessemer City, has completed recruit training at the Naval Training Center, Orlando, Fla.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.
