

Immunization Expected

Soon In KM Schools

Total immunization compliance within the Kings Mountain School District is anticipated very soon.

Parents of those students who have not completed or have no immunization record are encouraged to provide the schools with proof of immunization or proof that reimmunization is underway.

The N.C. Immunization regulations require three DPT, three Oral Polio, one Rubella (measles) and one Rubella (German Measles). If a child

received the rubella (Measles) vaccine before his/her first birthday, reimmunization must be received. Parents have been notified of incomplete immunization records and are aware of deadlines that must be met.

State immunization regulations also prohibit a student from attending school if compliance is not met. The school system has no alternative but to suspend those students who are not making every effort to comply.

Kings Mountain Schools with the assistance of some very cooperative parents have just about achieved 100 percent compliance. This effort has caused some families moments of inconvenience, but has served to notify parents that needed childhood immunization had been overlooked in some cases.

"Thank you parents for this assistance and thank you to those students who received the immunization" said Larry Allen, Director of Federal Programs and Support Services.

Yule Program Is Scheduled

Wrestlers At Asheville In Opener

Kings Mountain High's wrestlers open their dual meet season tonight when they travel to Asheville for a non-conference bout.

Coach Steve Moffitt's men are coming off a second place finish in the annual Gaston County Invitational Tournament at South Point, where they were edged out by Ashbrook for the third straight year.

"Tonight's match should be interesting," said Coach Moffitt, who was a prep wrestler at Asheville several years ago. "I look forward to going back home and would like to be able to beat them for the first time."

Moffitt feels competition against tougher non-conference teams will help his team when it gets into its Southwestern 3-A Conference season, which begins next Monday night at North Gaston.

"I was real pleased with the way our guys performed in the Gaston County tournament," Moffitt said. "Our guys wrestled tough. We made some mistakes but I was pleased with what I saw. I feel we'll get better as the season goes on."

Kings Mountain placed seven wrestlers in the finals and three of them, Johnny Ross, Avery Smith and Jeff Rowell, finished first. Joey Wyte, Miles Boyce, Bernard Womic and Kenny Womic finished second, Todd Bell was third and Terry McClain, Maurice Jamerson and Lynn Thompson were fourth.
