Families Lighting Candles

Forty families in the Crescent Hill-Crescent Circle neighborhood will participate in the third annual Christmas luminary project by lighting candles in front of their residences this season.

The candles will glow from 6 p.m. until 11 p.m. Christmas Eve and from 6 p.m. until the candles are extinguished on Christmas Night.

The project drew many visitors to the area last year and is expected to attract a large crowd this season. Most home owners in the area also decorate their lawns.
