## Real Estate Course Slated

The continuing education department of Cleveland Technical College will sponsor its summer Real Estate courses beginning with registration on Wed. July 9 and ending Sept. 23. This 72-hour class will meet from 7 p.m. to 10 p.m. in Room 2222 on the Tech campus on Wednesday and Thursday July 9 and July 10, and then shift to Monday and Tuesday evenings the following week at the same hours.

Ralph Gilbert, local realtor, will instruct. In addition to the \$5 registration fee, books are required, and are available in the school bookstore.

Dan T. Camp, Tech's Dean of Continuing Education, states "this will be the last 72-hour real estate course to be offered at the school since the Real Estate Licensing Board is raising requirements to 90 hours effective January 1, 1981. This will make it necessary for those registering in the Fall Quarter to have the 90 hours since they will be taking the broker exam after the first of the year based upon successful completion of Tech's real estate course."

Interested students should come for registration at 6:30 p.m. on July 9 in order that the first class may begin by 7 p.m.
