**CASTING BALLOT** - Connie Putnam, left, gives Kings Mountain resident Lester Welch a hand in placing his ballots into the new vote-counting computer Tuesday at the Community Center. Area residents went to the polls in huge numbers to select leaders for the next four years.

### Mrs. Gault Program Speaker To Garden Club

Mrs. C.J. Gault, Jr. presented the program "Butterflies" to feature the October meeting of the Open Gate Garden Club at the home of Mrs. Eugene Roberts.

Upon arrival, the 12 members enjoyed a dessert course with accessories.

Mrs. Gault illustrated the use of butterflies as a symbol of the Resurrection of Christ in a banner used by Resurrection Lutheran Church. She also pointed out that butterflies are displayed among the four most beautiful things in the world in a collection at Smithsonian In-

stitute which also features seashells, coral and quartz.

Mrs. J.E. Gamble gave a report of the calendar project underway by club members and invited members to keep records of their plantings.

In presenting "Timely Tips", Ms. M.C. Amos reminded that now is the time to plant daffodils, crocus and snowdrops, among other Fall plantings, and to make compost from leaves and table scraps.

The hostess displayed an arrangement she called "Tall Timber" featuring native pine, hemlock and fall foliage in a butter crock. The arrangement received a high rating of 95 in judging.

Club members voted a donation to the tree planting project downtown which is a beautification project sponsored by all garden clubs in the city.

### Crocheting Class Set

A new class in crocheting will begin at the Depot Center for all interested citizens Thurs., Nov. 13th.

Classes will be held each Thursday for 17 weeks from 12:30 until 2:30 p.m. and will be instructed by Miss Rita Falls.

Registration is \$5 and there is no charge for senior citizens 65 and over.

Cleveland Tech is sponsoring the class.

### Parson Of The Hills To Visit Parkdale Church

The Parson of the Hills, Rev. Charles A. Keyes of Hickory, will speak and present a

20-minute film program at Pathway Baptist Church, Parkdale Circle, Sunday at 7 p.m.

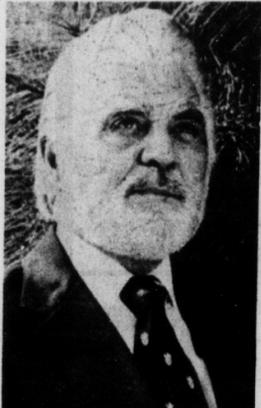

Rev. James Hamrick, pastor, invites the public to attend.

The Parson will speak about his annual Christmas Caravan which has traveled to people in the backwoods of the Appalachian Mountains for 46 years, distributing food, clothes and other necessities to needy people.

The Parson invites people in the Kings Mountain area to attend the services at Parkdale and bring canned food, cookies or candy which he will distribute to the aged at Thanksgiving.

Rev. Keyes said he plans to return to Kings Mountain around November 25 to pick up more items for the annual Christmas Caravan.

Over 3,000 people in the Appalachians benefit from the Parson's caravan.

REV. CHARLES KEYES  
...Parson of the Hills

### Fire Season Is Underway

Fall fire season began officially on October 15 and will last until December 15.

Historically, the major cause of wild fires in North Carolina has been debris burning. This includes household trash, brush, rubbish, garbage and "fall leaves". "Carelessness" is the cause of wild fires in almost all cases, according to Acting County Ranger, John J. Hunt.

This year, as in past years, a burning permit will be needed for any outside burning. This burning permit law was enacted to help reduce the number of wild fires caused by debris burning by spelling out the responsibilities of each citizen or company to control their outdoor burning, continues Hunt.

Burning permits will be issued for a maximum of a four-day period. A burning permit is not required for any burning between the hours of 4 p.m. and midnight. Hunt pointed out that compliance with this law does not relieve the permittee from having to abide by air quality regulations or any local burning ordinances.

A list of authorized burning permit agents for Cleveland County is as follows: Emerson Pruet's Store, Casar; Flay Willis' Store, Belwood; Sam's Mini Mart, Polkville; Martin Milling Company, Lattimore; J.R. Green, Magistrate's office, Boiling Springs; Hambright's Hardware, Grover; Bridges Hardware, Kings Mountain; Waco Stop and Shop, Waco; N & W Grocery, Highway 18 North of Shelby; Wright's Jewelry, Fallston; Davis Jewelry, Shelby; and Cleveland county Forester's office in the County Office Building.

### Foot Reports Lower Earnings

Foot Mineral Company reported net earnings of \$386,000 for the third quarter of 1980 compared with \$1,027,000 for the same period in 1979. After provision of \$241,000 for preferred dividends, earnings per common share were \$0.02 compared to \$0.11 per share a year ago. Sales were \$36.7 million compared with \$40.7 million in the 1979 quarter.

Nine months' net earnings in 1980 were \$5,025,000, or \$0.60 per common share, compared with \$8,059,000, or \$1.03 per share, in the same period of 1979. Sales were \$122.2 million compared with \$130.5 million in the 1979 period.

E.P. Comer, President and Chief Executive Officer, said the lower earnings in the third quarter of 1980 were principally due to lower sales and curtailed plant operations caused by reduced demand for most of the Company's ferroalloy products. Sales of lithium products continued strong in the third quarter.

### Sets Dividend

Directors of Commercial Shearing, Inc. today declared a regular quarterly dividend of 12 1/2 cents a share plus an extra year-end dividend of 12 1/2 cents a share payable on December 15, 1980 to shareholders of record as of December 1, 1980. Additionally, company directors declared a 10 percent share dividend to be issued on January 5, 1981, also to shareholders of record as of December 1, 1980. Total cash dividends paid in 1980 are 2 percent higher than last year after adjusting for subsequent share dividends. Payments on December 15 will be based on the number of shares held by shareholders on the record date of December 1, 1980, prior to issuance of the stock dividend.
