Board Discusses Problem

(From Page 1-A)

Allen said he would explore the possibility of state or federal grants.

The board took no action on the matter, but suggested a called meeting after all facts are gathered.

In other business Monday, the board:

• Heard a report from Grover Principal Jim Scrugs on the programs at Grover School.

• Heard a report from Jane Shields, Norma Cissell and Carolyn Roark on the Programs for Exceptional Children.

• Approved renting the Grover Principal's home at a cost of \$175 per month, and that \$50 of that rental fee be returned to Grover School's summer recreation program. Mr. and Mrs. Scrugs have purchased a home of their own in Shelby.

• Approved the appointment of Joy Moskal as assisting teacher in the Reading Program in the temporary absence of Mrs. Martha Bridges, coordinator.

• Accepted the resignation of Gary Shields as assistant principal at Kings Mountain Junior High, and appointed Richard Hamrick as Acting Dean of Student Activities for the remainder of the year. The position of assistant principal will not be filled until after the 1980-81 school year.

• Received copies of an audit conducted by the A.M. Pullen Co.

• Was told by Supt. William Davis that all principals, assistant principals, counselors and other personnel from Central, the junior and senior highs planned to meet to discuss the high dropout rate in the school system.
