The second annual Jim Porter Memorial Heart Association Qualifying Amateur Golf Tournament will be held on Saturday, March 21 at the Riverbend Golf Club on Highway 150. The entry fee will be \$25 and will be contributed to the North Carolina Heart Association.

There will be two divisions, including a net division with four-man teams with net best ball score, and a gross division with two-man teams with the best ball score without handicaps. Participants will play at 75 percent of their current certified handicap with a maximum of 18 strokes allowed.

In August, the winning team from each county will be eligible to participate in the N.C. Heart Association Team Amateur Golf Championship at the Foxfire Country Club in Pinehurst, with no green fees.

The Cleveland County Tournament is held in memory of the late Jim Porter, who before his death was chairman of the Piedmont Shrine Club Golf Tournament committee; vice-president of the Riverbend Golf Club and was a strong supporter of Gardner-Webb golf programs. Porter suffered a fatal heart attack.

Mrs. Porter will present plaques to members of the winning team following the March 21 tournament. Names of the winning team members will also be added to the permanent plaque which hangs in the Riverbend Club House.

"I would like to urge all golfers to support this tournament because it serves such a useful purpose," Phil Wallace, Riverbend Golf Professional said.

Those who would like to participate in the tournament should contact Wallace at Riverbend Golf Club. Other area golf clubs will also have information on the tournament.

**Rickenbacker
All-Division**

ROCKY MOUNT — Two North Carolina Wesleyan College women basketball players have been named to the NCAA Division III All-Division Team. Priscilla Rickenbacker and Shari Webb, both underclassmen, have been selected for the honor.

Rickenbacker, a sophomore guard playing her first year at Wesleyan, has led the division in scoring the entire season. She finished the regular season with a 21.2 points per game average, more than three points ahead of her nearest challenger for the scoring title. Rickenbacker was also ranked seventh in the state in field goal accuracy, shooting with 46.3 percent success from the floor.

Shari Webb, a freshman from Zebulon, was the second Battling Bishop picked for the team. Shari finished the regular season ranked second in the state in field goal percentage (52.6 percent) and fifth in points per game, tossing them in at a 15.1 points per game clip.

"We are, of course, very excited to have two of our players receive such an honor," said Wesleyan coach Laura Ferrell. "They are both excellent players and should continue to develop in the coming years. We are looking forward to having Priscilla for two more years and Shari for three more."

Webb is a graduate of Zebulon High School and is the daughter of Mr. and Mrs. Charles Webb of Zebulon. Rickenbacker is the granddaughter of Herbert McClain of Grover. She graduated from Kings Mountain High School.
