Registration will be held from 8:30 until 9:30 a.m. and a registration fee of \$5 will be charged.

Anniversary Is Scheduled

The children of Mr. and Mrs. Carl C. Falls have issued invitations to friends and relatives to attend the 50th wedding anniversary of their parents.

The reception will be held Sat., April 25th, from 7 until 8:30 p.m. in the Fellowship Hall of Patterson Grove Baptist Church.

Friends and relatives are invited to attend.

Department, the Cleveland County Council on Aging, the Cleveland County Cancer Society and the Cleveland County Chapter of the American Red Cross.

Local citizens can pre-register by obtaining forms from First Citizens Bank on S. Battleground Avenue. The pre-registration forms will enable citizens to make a specified appointment for the series of health screenings to be made available free of charge by the participating organizations.

Health screening tests will be offered at various stations to check height, weight, blood pressure, vision, anemia, and hearing. Patients will also be offered pap smears, colon, rectal, oral, prostate, and self breast examination for cancer and a new screening test this year will be a hearing test.

Citizens visiting the Center will be given pamphlets and other materials from the sponsoring agencies which will also refer them to medical personnel, if necessary, for further assistance.

More than 100 professional

and more than 150 non-professional personnel will be available for the screenings to be conducted from 8:30 until 3 p.m., according to Mrs. Charles Hamilton, executive director of the Council on Aging. Mrs. Hamilton said the screenings are offered free of charge to senior citizens 60 and older and that further information can be obtained by contacting her office in Shelby. Mrs. Hamilton said that transportation will be provided to senior citizens from the Kings Mountain Depot Center and that some churches are also offering transportation to and from the Center. Stations on counseling will also be set up after each citizen proceeds through the screening program, she said.

The American Red Cross youth clowns will provide entertainment during the day.

Last year more than 300 senior citizens visited the Center for the free health checkups and Mrs. Hamilton said it is not necessary for citizens to pre-register but that it will avoid the long lines and delays if appointments can be scheduled.
