Drive Begins

Approximately 50 people gathered today at the Cleveland County Boys Club for a luncheon to kick off the events in preparation of their fourth annual super auction. Chairman of the super auction IV, Tony Izzi, Jr., told those in attendance that last year's super auction III had surpassed its goal by raising more than \$15,000.00 and that the goal for super auction IV had been set at \$15,000.00.

Auction co-chairmen Glenn Williams and Dan Moore told the board members present that there would once again be an organized effort to canvas all of Cleveland County for the purpose of soliciting donations of new and used merchandise as well as cash. They also invited the general public to donate good useable items to the auction. They said that anyone wishing to donate auction items could either bring them by the boys club at 412 West Sumter Street, or phone the boys club at 482-3258 and the items would be picked up at the donors home or place of business.

Auctioneers Bob Melton, Al Holland, Ken Humphries, Roy Dedmon, Ben Poston and Joe Stockton have once again volunteered their services for this year's super auction IV. A mini-auction was held to whet the appetites of those present for super auction IV and several interesting items were auctioned at the luncheon.

Officials from the Shelby City Government and the Cleveland County Commissioners were on hand and it was stated that both groups plan to proclaim Saturday, June 20th as Super Saturday.

Before the meeting adjourned Izzi, again stated that there is a tremendous need for good useable auction items and cash donations so that the goal of \$15,000.00 may be reached.
