plication", he added.
Huffman said he tries to carry out the personnel policy which states that the "geographic area for recruiting well-qualified candidates is not necessarily limited to Kings Mountain and Cleveland County."
The city's Personnel Policy permits department heads to hire outside the city. It states that in cases where residents and non-residents are equally qualified, the local resident shall receive first consideration.

Huffman, an outside city resident who lives about seven miles from town in the Dixon Community, was given permission by the board of commissioners to continue his residence there when he accepted his job as section foreman. The action was taken on Dec. 22, 1978. Huffman was a construction foreman with the city until Ed Dwyer resigned as Superintendent of Public Works. Huffman was promoted to his present position on Dec. 22, 1978. He also serves as Acting Codes Director.

Huffman said that the breakdown in Public Works as to race are 11 Blacks, one Indian, two White females, and 31 White males.

"I have always played fair in dealing with people and have followed the rules of the city's personnel plan in hiring practices with the city," he added.

Peterson Decorated

Staff Sgt. Johnny E. Peterson, son of Mr. and Mrs. Jack E. Peterson of 212 Parker St., Kings Mountain, N.C., has been decorated with the U.S. Air Force Commendation Medal at K.I. Sawyer Air Force Base, Mich.

The Air Force Commendation Medal is awarded to those individuals who demonstrate outstanding achievement or meritorious service in the performance of their duties on behalf of the Air Force.

He is a 1973 graduate of Kings Mountain High School.

CORRECTION

In the engagement announcement of Susan Lynette Stringfellow to Douglas Todd Johnson, the Herald inadvertently listed the names of the bride-elect's parents as Mr. and Mrs. Barry W. Stringfellow, instead of Mr. and Mrs. Bobby W. Stringfellow.

The Board, after a public hearing, annexed the Linwood Road property of Wesley and Pearl Kiser.

After a public hearing, the Board approved a request to rezone the property of Herman Cash Grocery on Shelby Road from R-20 to Light Industry.

The Board referred to the Zoning Board a request from Tommy Hall to rezone from GB to R-20 property fronting 200 feet on Road 232 in the one-mile perimeter.

The Board tabled a request to rezone property owned by Bradley Builders on Highway 74 inside the city limits from R-20 to L-1. Mayor Pro-Tem Jim Childers made the motion to table the matter so that "commissioners can see the property." The Zoning Board took no action on the petition and referred the request to the city board for action. During a public hearing, Mrs. Betty Morris objected to the rezoning. "There is no other light industry in the area and if the property is rezoned we don't know what kind of business will come in," Mrs. Morris said the owner is there under the grandfather clause and is interested in selling the property. She suggested the board postpone action until a buyer is obtained and rezone the property on the merits of the type of business.

"We don't want a lot of undesirable business locating there," she added.

Franks Tapped By Jaycees

Tom Franks has been named Kings Mountain Jaycee of the Year.

He was presented his award Wednesday by Allan Propst, president of the local unit.

Franks, who is employed by Kings Mountain Hospital, chaired a number of successful projects last year, including the Christmas Tree Sale, Rock-A-Thon for Cystic Fibrosis, jelly sale, Police-Jaycee softball game, and assisted in several other projects.

Franks serves as club chaplain and on the board of directors. He also participated in the local and district speak-up competition.

Mayonnaise was invented in the 1750's by France's Duc de Richelieu.

Bride-Elect Miss Scism Is Honored

Miss Roxanne Scism, bride-elect, was honored May 30th at a drop in bridal shower at Patterson Grove Baptist Church Fellowship Hall.

Entertaining together, all aunts of the bride-to-be, were Mrs. Teresa Falls, Mrs. Sarah Falls, Mrs. Judy Falls, Mrs. Tina Cash, Mrs. Susan Scism and Mrs. Ann Scism.

A color motif of yellow and white featured the decorations. The bride-to-be was given a corsage of daisies to pin the shoulder of her party dress.

Guests presented Miss Scism with miscellaneous gifts and the hostesses took the occasion to present her with a pressure cooker and frypan.

Street Names Cause Confusion

When city streets have the same names confusion results.

And residents of Fulton Street want the city fathers to change the name of Fulton Drive because of confusion of similarity of names.

Mayor John Henry Moss read a petition which noted that response to a recent emergency call on Fulton Street was delayed 15 to 20 minutes because the rescue squad went to the wrong street.

According to the petitioners, Fulton Street has been in existence for many years and Fulton Drive, the newer street, should be renamed.

Commissioner Norman King, who made the motion to accept the petition and appoint a committee to study the request, said that four streets in Kings Mountain bear the same names.

PVT. ALEXANDER

Army Private David D. Alexander, son of Mr. and Mrs. Dwight L. Alexander of 1160 Westover Drive, Kings Mountain, is home on a temporary, special assignment for the U.S. Army as a Hometown Recruiter Aide.

A graduate of Kings Mountain High School, Alexander enlisted a year earlier into the service last September. His choice of training to be a small arms repairer took him to the Aberdeen Proving Grounds, Md. after he learned Army basics at Ft. Dix, N.J.

As a recruiter aide, Alexander will circulate among his former classmates, friends and peers, telling of his personal Army experiences which have netted him expert rifle and sharpshooter grenade badges and the air assault wings.

In early August Alexander will join the 101st Airborne Division at Ft. Campbell, Ky. Until then he will work under the supervision of Staff Sergeant James Rowlett at the Army Recruiting Station, 117 West Mountain St.
