

Trade Lot To Open July 4th

The Kings Mountain Parks and Recreation Department will be sponsoring a Trade Lot Yard Sale on Saturday, July 4th from 10 A.M. until about 9 in the evening. Areas will be set aside adjacent to the Deal Street Pool on Parker Street, which will be closed to traffic and parking on that day. This Giant Yard Sale will coincide with the City's Annual Fourth of July Celebration, which is shaping up to be even bigger and better than last year's celebration, which generated a large volume of pedestrian traffic at the Deal Street Complex. With inflation hovering in double digits and the price of gas where it is today, more and more families are choosing to stay closer to home and participate in local area events. A capacity crowd is anticipated for this upcoming 1981 Fourth of July Celebration.

Any groups or individuals interested in participating and selling any articles at this Yard Sale, are urged to contact the Parks and Recreation Department as soon as possible. There are a limited number of areas available, which will rent for only \$4.00 for the entire day.

Reservations will be taken up until all areas are sold out or until 5 P.M. on Friday, July 3rd, whichever comes first. These reservations can be made at the office of the parks and Recreation Department, located on the second floor of the New City Hall Building from 9 to 5 Mondays through Fridays, or Room 102 of the Neighborhood Facility Center from 2 to 9 Mondays through Thursdays and 10 a.m. to 6 p.m. Fridays. All area selections will be done on a first-come first-served basis at the time of registration.

For more information on the Parks and Recreation Department's Giant Trade Lot Yard Sale, please call the Parks and Recreation Department at 739-6995 or the Neighborhood Facility Center at 739-3549 during the hours listed above.

Miss Hatch Is Selected

Pamela Hatch, a rising senior at Kings Mountain High School, attended a conference for noteworthy students conducted by North Carolina State University's School of Engineering June 22-24.

The outstanding student was one of some 100 North Carolina high school students gaining an introduction to engineering during the three-day program held at the Raleigh campus.

Entitled "Summer Engineering Competitions to Attract Noteworthy Students" (SECANTS), the conference was arranged through the NCSU Division of Student Affairs.

Those attending were selected by their high school principals and counselors on the basis of outstanding academic achievements, especially in the areas of science and mathematics.

A primary purpose of the conference was to introduce high school sophomores, juniors and seniors to career opportunities in the engineering profession and to interest them in enrolling in one of the engineering curriculums at N.C. State.

The program involved students in project competitions related to engineering activities. SECANTS participants designed, constructed and tested working models of such devices as windmills, catapults, support towers and bridges.

Robin Spears Is Entertained

Robin Spears, June bride-elect of Tim Spicer, was entertained at a covered dish supper on June 11th at First Baptist Church by Mrs. Herman Greene, Mrs. Bob Maner and Mrs. Hugh Lancaster.

Twenty-five guests brought covered dish meats, vegetables, salads and desserts to the supper. The containers that held the food were presented to the bride as kitchen shower gifts.

The church fellowship hall was the scene for the party. Yellow and white cloths were used on the serving table that held an arrangement of magnolia leaves and blossoms. Leftovers from the supper were wrapped to stock the bride's freezer.

MUSIC MAN COMING TO SHELBY—Greater Shelby Community Theatre will present "The Music Man" this Friday and Saturday at 8 p.m. and Sunday at 2:30 p.m. in Malcolm Brown Auditorium.

July 4th Celebration Set

The Kings Mountain Parks and Recreation Department will be sponsoring an all day celebration for all Kings Mountain Citizens on Saturday July 4th.
